

Paulette Waiters Home After Year Of European Study

This past year has been a wonderfully exciting one for Paulette Waiters, daughter of Mr. and Mrs. Antoine Waiters of Covington road, relates her aunt, Mrs. Robert Schilling.

Paulette is an art student and last summer traveled to Europe where she studied French at Grenoble university, France, and then, before starting the fall term at Beauxart in Geneva, Switzerland, she met her parents and together they toured Europe.

During Spring vacation from Beauxart, she was a guest of her roommates who lives in Athens, Greece, and they also visited the nearby islands and Yugoslavia.

After school was out, she spent some time with relatives in Brussels and England before returning to the States.

Last weekend she attended the horse show at Wallon Lake where her mother operates Hilltop Camp.

Next month, she will continue her studies at the University of Michigan.

Varied Vacations Taken by Localities

Vacations have taken Birmingham families into three different directions.

At Jasper Park lodge, on Lac Beauvert, scenic woodland in the heart of the Canadian Rockies, Mr. and Mrs. John McKenna, 3608 Lincoln drive.

H. D. Houdreau, 7370 Did Mill road, recently was a guest at the Auvalle Chalet, N. Y.

Theater-goers, Mr. and Mrs. R. E. MacDonald attended a performance of the smash-hit drama "Business Road," at Berca, Ky.

Host to Travelers

Mrs. Edward E. Hayes, 496 Pidgeon, Birmingham entertained recently at a party for a group of travelers leaving for Europe under the direction of Mrs. A. Carnegie.

THE SOFTBALL TEAM FROM PIERCE playground had their own private cheering section for all their games this season. Must have been quite stimulating because the local squad went through their schedule undefeated and won the championship game against Wing Lake. The young playgrundettes are (left to right) Cynthia Sue Mead, 17988 Birwood, Duna LaVerre, 479 Bird, Beth Fiora, 847 Davis, Nancy Ruth Kerr, 17825 Kirkshire. The girls received instructions from the Pierce playground leaders who are college coeds the rest of the year—Myrna Millar and Arlene Art are the leaders.

Alaskan Travelers

George and Robert Dutton, 1243 East Ruffner, Birmingham, left in July for travels in Canada and Alaska. Bob flew home last week to enroll at Michigan State university. He will fly back to meet George who stayed to hunt moose and fish for salmon.
