Claudia Crete Spends Summer Studying Ice Skating in Canada

While many localities have spent the summer sunning and swimming, young Claudia Crete, daughter of Mr. and Mrs. Roger Crete, Woodside drive, has enjoyed the last six weeks studying ice skating.

She has been attending the summer school at Guelph, Ontario, about 55 miles north of Toronto, and was accompanied by her mother. Her father came up weekends to watch her progress.

Claudia is specializing in figure skating, and has already passed the first two tests. Eight tests are required before she will receive the much coveted gold medal award. She is also studying dancing on ice skates.

The summer school is run by Ronnie Baker who is also her teacher in the winter at the Detroit Skating club. Last April Claudia took part in the ice show at Olympia. She has been ice skating for just three years, but during that time has put in many long hours of practice.

Claudia will be ten years old Saturday, and is having a party for some of her fourth grade classmates.

Mr. and Mrs. Rudy Hansen and family are back home at Vincennes after spending a month at Lake Leelanau. They took a side trip to Sault Ste. Marie, in the heart of the iron mining district, to visit Mr. Hansen's parents, but spent the rest of their vacation relaxing and having a good time despite inclement weather.

Last night Mr. and Mrs. Nick Quint entertained their bridge club at a swimming party and hot lunch supper. Guests included Mr. and Mrs. J. H. Bartleson, Mr. and Mrs. Dick Caskey, Mr. and Mrs. Robert Egan, Mr. and Mrs. Jack Skeels, Mr. and Mrs. Leonard Fogar, Mr. and Mrs. Ralph Chabaneau and Mr. and Mrs. Nick Restello.

Sunday Mr. and Mrs. Kenneth Bailey entertained at a family party honoring Mrs. Bailey's mother, Mrs. A. Marwick of Detroit. The 30 guests ate outdoors and then enjoyed the new porch which has just been added to the Bailey home on South Greenbriar.

There was lots of bridge for Mrs. E. H. Scott, Mountaineer, as she and eight friends from Detroit spent the week with Mrs. Henry Morton of East Tawas, Al. though they took along their bathing suits, they didn't get much chance to use them.

NEW NEIGHBORS
Mr. and Mrs. William Breckwoldt, from Glen Rock, N. J., recently moved into their new home at the corner of Franklin and South Greenbriar. They have two children, Barbara, 5, and Susan, almost three.

Mr. Breckwoldt is with Ford International. He enjoys golf and baseball, but has been busy with the new garden and lawn that he hasn't had much time for either. He's heard many stories about the good fishing in Michigan, and is looking forward to catching the big one.

Mrs. Breckwoldt (Elin) enjoys sewing for her daughters, and has been busy getting things settled.

Mr. and Mrs. Harry Allen, Wellington road, recently spent a few days on North Manitowish Island which is privately owned by the Bill Angel Foundation. The island, ten miles long and five miles wide, is located in Lake Michigan about ten miles off from Leland.

It is a paradise for wild life and the Allen's often counted as many as 30 deer as they drove around in the early evening. A few of the best means of transportation as the roads are merely trails through the virgin forest.

Mrs. George Howard has returned to her home on Greenbriar with her son Steve, after visiting her mother in Cleveland.
