

Robert Dunn Trains With Red Cross For Emergency Aid

Among members of the First Aid Instructors' club who are sharpening their skills and learning their way-round Pontiac General hospital wards and emergency room in a special training session is Robert Dunn, of 1946 Bowers-

Birmingham. With other volunteers from the American Red Cross Oakland county chapter, Dunn is being trained to work in casualty care stations in disaster emergencies. Lauretta Paul, Pontiac General hospital director, suggested the session, which runs from June 11 through August 23, when the need was recognized in Flint and Grand Rapids hospitals after recent tornadoes.

See You on the Beach—

WHEN THE BIRMINGHAM YMCA day campers started out on their overnight camping trip to Kensington park Thursday, they took along all sizes and shapes of camping equipment, with the same variety in the children participating (94 of them). Here 13-year-old Dale Porter, tallest of the campers, shows how simply a man can travel, while 8-year-old Diane Bregz shoulders her huge pack, proving that a woman usually wants to travel with more luggage than a man. Next week approximately 65 from "Camp Totem Pole" will visit Canada's historic Fort Malden and the Heinz cannery. They will also participate in swimming, crafts and sports during the week. The camp appears headed towards a new record for boys and girls served, with the 500 mark already passed. The YMCA "Little Giants", five to seven-year-olds under the direction of Ethel Didier and Judy Mikulas, will have two more weeks of swimming, boating and crafts.
