The Clifford Dixons to Leave Franklin for Gatlinburg, Tenn.

Mr. and Mrs. Clifford Dixon, of Franklin road, will bid Franklin a fond adieu the end of the month, and head for Gatlinburg, Tenn., where they recently have purchased an 18 unit motel. They are eagerly looking forward to their new venture, especially their son Jimmy, 14.

The Dixons have made several trips to the Smokies and have been impressed with both the scenery and the weather. Fishing is excellent in Little Pigeon river which winds its way in and around the town.

Their motel, only four years old, is located in town and will be open all year round. The Dixons are hoping many of their Franklin friends will visit them at Mountain Manor, as it is a good stopping place on the way to Gatlinburg. Mr. Dixon has been with GMT for 22 years, coming here from Lima, Ohio, in 1934. At the time of his resignation he was chassis engineer.

Both Mr. and Mrs. Dixon have been active in community affairs and their many friends will miss them. They leave with the best wishes of all for happiness and success in their new venture.

The birthday club in Dorchester Hills met last week to celebrate the birthday of Mrs. N. H. Albers, at the home of Mrs. Carl Good before going out to lunch.

It has been a busy summer for the Stanley Krentels of North Greenbrier. They've had several house guests and have made quick trip to Washington and also St. Louis. They've just returned from Connecticut. While Mr. Krentel attended a business conference at the Oak and Spruce Lodge, near Pittsfield, Mrs. Krentel visited Mrs. Harold Leever, near Bethlehem.

The men joined them there for the weekend which was highlighted by a real down east clam bake for about 50 business friends. Visiting Mrs. Krentel now is her aunt, Mrs. J. F. Jonas, from St. Petersburg, Fla.

Visiting the Ken Thompsons is Miss Mary Louise Ainsworth from Zurich, Switzerland.

As usual Mrs. Robert Treadway and her children Anne, Jane and Bob, are spending the summer at their cottage on Grand Traverse Bay, near Neahawanta. Mr. Treadway tries to go up every weekend.

While Mr. George Catlin was in Washington on business, Mrs. Catlin visited their son, George, and his wife who now live in Pittsburgh. The senior Catlins flew home together, Beverly missing a rash food which hit that area and did considerable damage.

Kitty Anne Hinman left last Saturday to spend a month at Camp Cavell, Bonnie Jean Hough, formerly of Franklin, is spending the summer at Cavell. Sue Polhemus, daughter of Mr. and Mrs. V. D. Polhemus, is there as a junior counselor on the waterfront.

Month's Trip Through Rocky Mts. Taken by Claude Whipple Family

Mr. and Mrs. Claude Whipple and son, Kenneth, 17331 Beechwood, returned Friday from a month's trip through the Canadian and American Rockies. At Lake Louise, Banff and Yellowstone National Park they spent some time enjoying the beautiful scenery, taking pictures and relaxing.

In Central City, Colo., historic scene of a gold rush boom town, they went through a gold mine and visited an old opera house now restored and used for annual play festivals.

The most enjoyable part of the trip that took them through four Provinces in Canada and 15 states in the United States, to young Kenya, was the snowmobile ride on the Columbia glacier in Canada.

Helen Whipple will be writing the East Beverly column for the next few weeks and would appreciate hearing from area residents who have taken a trip or entertained recently. Mrs. Whipple may be reached at her Beechwood home or by calling Midwest 4-2794.

Mrs. Henry Mika of Kirkshire entertained the B G club at her home last Thursday evening. The group was organized 20 years ago when they were attending Cooley high school in Detroit and gathered at members' houses every two weeks for dessert and a social evening. Among those attending were Mrs. Gordon Barnes and Mrs. John Vageler of Detroit; Mrs. Robert Sims of Dearborn; Mrs. Al Sanders, Faircraft; Mrs. Gordon Walker from Birmingham.

Brother Holman Break of the Holy Cross Brothers was feted, recently, at a farewell dinner at the home of Mr. and Mrs. Edward J. Gruze, 16200 Dunblaine. Brother Holman has left as director of Boyville located at Maon, Michi-

art. After a trip to Guatemala, he'll spend a few days in Franklin with his parents, before returning to the University of Colorado in Boulder.

Mrs. Emil Bates returned home yesterday from Des Moines, Iowa, after welcoming her granddaughter to the world. The baby, who weighed 7 lbs., 12 oz., is the daughter of Mr. and Mrs. Worth Booth, and has a two year old brother, Brad. No name had been selected for the little blonde as we go to press.

The Paul Robertson family has returned to their home on Franklin Hills drive after spending a month at Pointe Aux Barques.

Jane Seymour, daughter of Mrs. Vera Seymour, has returned to her home at Cranbrook summer theater, and is now devoting full time to her job as apprentice at the Northland Playhouse.

James and Paul Kokones, 16170 Beverly road, returned home Tuesday after three weeks of traveling, swimming, sight seeing with friends of the family, Mr. and Mrs. James Harper and son, Bruce.

Two weeks were spent in Fort Meyers, Fla. where the boys were thrilled by a visit to the old fort. They called home from Atlanta, Ga. Sunday and enthusiastically brought the family up-to-date on their travels.

During the boys' absence, an uncle and his family, Mr. and Mrs. Bill Godair and Billy Wayne, four months from St. Louis, Mo. have visited with the Kokones clan left behind.

The James Stewart and daughters, Jean, Patty and Mary Jane, of Kinross returned recently from a trip to Chatham, Mass. En route they were joined by Mr. Stewart's sister and family, Mr. and Mrs. Ted Hageman and three boys of North Norwich, N. Y.

They report the weather "ideal" during the three weeks they toured the Cape Cod area and swam in the Atlantic Ocean. At Provincetown, they climbed the Pigeon Monument, from which they could view Boston and the Bay territory.

Last week, Mrs. William O'Donnell, Jr. was hostess at a regular meeting of her bridge club composed of eight ladies residing on Locherbie and Beechwood.

Among the company were Mrs. Victor Lane, Mrs. Ernest Carlson, Mrs. Frank O'Donnell, Mrs. James Heale, Mrs. Thomas Knight, Mrs. Felix Mock, Jr. and Mrs. Thomas Bedford. Guest for the evening was Mrs. R. S. Simpson. After scores were totaled, dessert was served.

The Victor Lanes and boys, Jim and Richard have been relaxing very much to cruise about the Twinning lakes and children, Tom and Barbara. They have been guests at the home of Mrs. Myrtle Fleck, Mrs. Wiley's mother.

Barbara had accompanied her mother some weeks ago when she returned home after a visit on Locherbie. Tom was thrilled when he was visited 20 years ago when they were attending Cooley high school in Detroit and gathered at members' houses every two weeks for dessert and a social evening.

Blue ribbons are the fashion in this area as a result of talent displayed in recent swimming meets by the younger variety of swimmers from the Birmingham Country club since they have achieved three victories out of four recent regional swimming meets, including hard-to-bet Orchard Lake country club.

Participants in the meet were Tom Husted, Lynn and Joanne Vogel, Bud and Dennis Guilmet, Mary Brad Stephenson, Bob Emde, Marty and Bill Ploch, Hap and Libby Dunne and Pam and Judy Pittich, all from West Beverly area.

Garden Club members were enthusiastic and impressed with what they saw in area gardens visited last week. Informality and excellent landscaping displayed in the garden of Mr. and Mrs. Harold Soudner of Bensenville was particularly notable in the fact that it was planned by son, Jack, and utilized natural land contours to form a sunken garden.

The excellent lawn and impressive trees forming the background for the Mayfair home of Mr. and Mrs. Harold Reasoner served to make this garden outstanding.

The Riverside garden of Mrs. A. F. DeRosier ideally approached a combination of ornamentation and utility.

The colorful garden at the Hillcrest home of the Henry Guenther with its large variety of flowers and well planned rock garden displayed care and thought.

VACATIONERS RETURN
Wednesday marked the return of the F. E.
