CHINESE AMERICAN

BIRMINGHAM FEDERAL SAVINGS AND LOAN ASSOCIATION announced today that it expects to occupy its new quarters at West Maple and Pierce about October 15. Walter Moreland, president, said the Bank Building and Equipment Corporation of America, general contractors, is taking bids on sub-contracts this week. The Association will move from its location at the corner of South Woodward and Maple into the present Lake Jewelers and the building formerly occupied by Kay Baum. Moreland said the new office will provide about twice as much floor space as the present building. "This is needed to handle the increased volume of business the Association is enjoying and to provide for future needs of our members," Moreland said.

WALTER MORELAND, PRESIDENT OF THE Birmingham Federal Savings and Loan Association said the interior of the new offices will follow Colonial Williamsburg lines. Shades of Williamsburg green and gray will be used together with white to set off the wood paneling. The lobby and offices will be completely carpeted and the large expanse of glass will have traverse drapes. The air-conditioned building will have ample space for seven tellers, three conference rooms, officers quarters, a customer lounge and separate rooms for bookkeeping offices and vault.

Manufacturers Nat. Bank Opens Branch

The Manufacturers National Bank has just opened its thirty services so much needed in this fast growing section. Mayberry said.

Doubleday Book and Record Shop Opens

With the opening of their new store at 239 Pierce, Birmingham, the Doubleday company has added their sixth shop to their Detroit district.

Similar to other shops, the local Doubleday Book and Record Shop will offer a full representative line of merchandise in books and records. In addition a complete stock of greeting cards and stationery will be available.

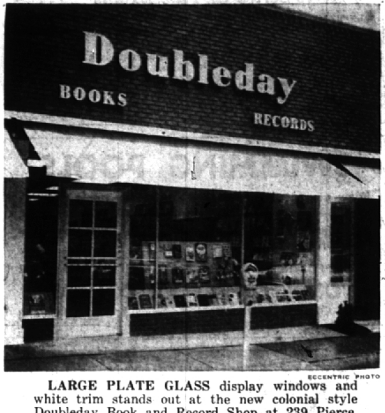

A special policy of the company's chain will be maintained locally with the interchanging of merchandise among any one of the six shops. What is not available at one store can be ordered from another, declared Dorothy Baker, the shop manager.

IN KEEPING with the character of other businesses along Pierce the Doubleday store is in Colonial style architecture. The 20 ft by 30 ft building is fully air conditioned and has a simple, bright modern interior.

A new approach to stock display has been created to minimize shelf space. All stock is out in convenient flat type racks. Customers are able to browse and examine merchandise much easier, according to Mrs. Baker.

Two record listening booths are also available for record customers.

The store will be open from 9 a.m. until 6 p.m. Monday through Saturday.

LARGE PLATE GLASS display windows and white trim stands out at the new colonial style Doubleday Book and Record Shop at 239 Pierce.
