

Small City Radio Band Wins Support

A special radio wave band which smaller communities can use for general municipal functions has won support from Birmingham city commissioners.

Small communities, the commission resolution recognizes, cannot afford to operate more than one band.

Birmingham is among the cities which use several bands for separate police, fire, highway, etc. department calls.

Take Out Dinners Growing In Popularity

Modern Housewife Gets A Helping Hand From Her Favorite Restaurant

Who would have thought of "sending out for dinner" in grand-ma's Day? Such things just weren't done in the "good old days." However, with the increased tempo of modern living, today's housewife and mother finds it a blessing to send out often to her favorite restaurant for the family dinner.

Modern means of packaging and improved cooking techniques have made take out dinners a reality. Now, when unexpected guests arrive, when the house is upset with decorating, when moving, or when everyone is just plain tired from gardening or shopping, it's only common sense to jot down the family's menu favorites and send out for some piping hot dinners that are sure to please.

The famous Susie Q Restaurant located on Woodward Ave., just 1/4 mile North of 12 Mile, is right in step with the tempo of the times. You can phone your order in or simply drive out to the Susie Q and place your order with one of their competent waitresses. In a matter of minutes the chefs prepare your meal as if by magic.

Thousands have made the remark, "It's amazing how you people can do it!"

Such tempting items as golden-brown fried chicken, lobster tails, fish and chips, and a variety of wonderful sea foods are on the Susie Q menu. And you'll be impressed at how truly inexpensive the Susie Q prices are.

A trip to the Susie Q will prove an interesting experience. And whether you order a "take out" meal, or bring out the whole family for a dinner in one of the dining rooms, you are sure to enjoy a meal that will be a taste sensation you won't soon forget.

The Little Old Lady (who has everything) and my Great Uncle (who doesn't smoke, drink, play cards or breathe) are still able to do one thing . . . EAT!

By the time you read this, we will have a lovely load of edibles . . . ginger marmalade, all sorts of spreads, and yummy biscuits and cookies, English candy, PLUS home-made Fruit Cake and Christmas cookies.

BOBBY ALFORD, 11, of Long Island, N. Y., shows Philip J. Monaghan, of Cranbrook road, Bloomfield Hills, vice president of General Motors and general manager of GMC Truck and Coach Division, his interpretation of an air suspension system for trucks. They discuss the revolutionary new truck suspension, pioneered by GMC, at the National Auto Show in New York City. In the background is a model air suspension highway tractor that rides on air-filled bellows instead of steel leaf springs.
