Loss
Another friend with us has gone,
To that fair land of no return,
We miss her smile, her happy ways
And for her presence yearn.

We wait to hear her cheery voice
And then we realize
She is no longer with us,
Her home is in the skies.

In moments of our wildest dreams,
We feel her presence yearn,
But then again we still must know
She is no longer here.

More Youngsters Write Letters To Santa Claus

Bows and arrows rank high along with two-gun holsters on lists Birmingham boys have been sending Santa. Little girls, of course, prefer dolls—everything from the ballerinas to Betty Whitey doll.

Here are this week's requests:
