

CADILLAC ELDORADO BROUGHAM—This new five-passenger super luxury sedan, embodies many engineering and styling features never before incorporated on a production automobile. Completely modern in every detail, this four-door hardtop has a brushed stainless steel top and an extremely low over-all height of 55.5 inches. The first production model of the former Cadillac "dream car" will make its debut at the National Automobile Show in New York, December 8-15.
