Months ago, Pontiac set its '57 sights on producing an engineering classic—the greatest road car in automotive history! How well did they succeed? One answer is pictured here, the all-new '57 Pontiac itself, a car so advanced in concept that other new cars merely emphasize its outstanding design, its brilliant array of first-time features! The other answer is the public's response to this road-ruling beauty. From every quarter of the nation has come wave after wave of confirming praise. Praise for Pontiac's styling—its crisp, colorful lines and flowing contours that accent beauty built in, not hung on! Praise for new Level-Line Ride—the advanced suspension system that cradles you in cloud-soft comfort. Praise for Pontiac's ease of handling! Praise for the brisk and eager response of its all-new Strato-Streak V-8 engine! And underlying this tremendous voice of approval is the confidence felt in a car which has undergone the greatest road test in history... Pontiac's grueling 100,000-Mile Marathon Run! Yes, this year it's Pontiac all the way! Come in and see it! Come take the wheel of America's No. 1 Road Car!
