

Ted Lindsay (left) and Marty Pavlich stand in the goal crease at Eton ice rink. The two Red Wings stars were on hand for a fancy exhibition of hockey playing. Ordinarily the territory they occupy is reserved for goalies only, but their assumed positions were just in fun.

Cereal Bowl For Maples

Birmingham's defending EML swimming champs will travel to the Cereal Bowl swimming relay at Battle Creek, December 8.

Out-of-town visitors to the relay will enjoy comfort never before provided, as all seats in Battle Creek's Youth Building natatorium are reserved for the first time. Heretofore, it has been a "first come, first served" proposition which placed visitors at a distinct disadvantage.

Except for three rows of choice seats in the center of the natatorium, priced at \$1.50, all seats will be 90 cents.

A NEW EVENT has been added to the Michigan high school aquatics classic in a diving relay, believed to be the first time ever tried in Michigan. The total score of both divers being added to determine the team standing. The event was added for the first time this year after polling swimming coaches throughout the state.

Preliminary will be run off beginning at 1 p.m., Saturday, December 8 with finals at 8 p.m. Two water ballets will be included in the program.

Mr. Basketball Visits B'ham

George Mikan, once honored as the "greatest basketball player of the last half century," demonstrated to a crowd of young players in Birmingham's gym some of the subtleties of pivot play which he made famous.

The former DePaul All-American and retired Minneapolis Lakers great made the appearance on one of his basketball clinics sponsored by a rubber company which makes basketball shoes. He now practices his pivot play which he made famous.

Mikan, who stands 6-8 and wears size 17's, dunked two baskets as soon as he got on the court and then proceeded with a demonstration of shooting and defensive techniques.

HE EMPHASIZED that it is necessary to practice long hours in order to be a success at the game. "I used to practice four hours a day, sometimes shooting as many as 100 free throws, and 200 left and right-handed hook shots," Mikan said.

He mentioned that his coach in professional ball made the team put in 90 out of 100 layup shots before they would be dismissed from practice. "This was a great incentive," Mikan joked.

Kennedy Beats Cranbrook, 48-41

Cranbrook's cagers dropped their second game in as many starts to Kennedy Collegiate of Canada, 48-41, Tuesday.

The trip across the border was a futile one for the Cranes. Kennedy controlled the boards throughout most of the game and outthrust the Cranes. Kennedy led at half-time, 23-20.

Herb Stanton, Cranbrook's center, was his team's high scorer getting 14 points.

Player	Points	Rebounds	Assists
Kennedy	48	15	10
Cranbrook	41	12	8

S'Ad Expects More LL Teams In '57 Baseball

Early preparations for next year's Little League Baseball season are being made by Southfield. With diamond activity seven months away the league recently held an election and organizational meeting.

Re-elected to head the group are Sid Abel, president, former Red Wing hockey star, Larry Maskey, vice president, L. S. Bennett, treasurer, and Mrs. D. J. Jones, secretary.

Abel announced his objectives for the 1957 season: increased quality of play for the enjoyment of spectators and increased parent and community participation and cooperation.
