

Walnut Lake Area

ELIZABETH BUNNELL MA 6-3444

Fine Display of Michigan Weather for Florida Visitor

Michigan weather is putting on a fine display for one of our Florida guests, Mrs. Myrtle L. Chandler, who is visiting with her son's family, the R. L. Chandlers of Kennmor road, Mrs. Chandler of St. Petersburg flew up on the Golden Falcon, for a visit with old friends and the fun of being with her grandchildren.

Since she has been here, Roy Benap of Chicago and Ken Smith of Continental Aviation made separate flights to Birmingham to see her.

Furniture vans have been a frequent sight in this area as new families have been moving in to enjoy suburban living.

The Thomas Ferrill, of South Clunbury road, moved here from Detroit. The Ferrill family includes Donna Lee, 7, enrolled in Walnut Lake school, and Juanita Ann, 17, a student at Birmingham High school.

Ferrill is a partner in Ferrill and Schank First-Aid company, and is an ardent golfer in his spare time.

on the corner of South Clunbury road.

The family, which moved here from Bedford, Ind., includes sons William, 22 months, and James, 6½ years, a member of the first grade class at Walnut Lake school.

Brunstad, who is on the labor relations staff of the General Motors corporation, attended Carlton college, in Northfield, Minn., and studied law at Northwestern university. He is a member of the Society of Former Agents of the Federal Bureau of Investigation.

Mrs. Brunstad and the children spent three weeks in Florida during December visiting with her parents, Mr. and Mrs. James Wade in Lake Worth, while awaiting the completion of the new home.

The Frank A. Grady's of East Dartmoor road, moved here from the Rosedale Park section of northwest Detroit. The family includes two grown sons and two daughters. Rosemary, 21 years old, is a medical assistant. Tom, 18, graduated from the University of Detroit High school last June and received an appointment to Annapolis Naval Academy.

He was home for Christmas, and this summer will go on a cruise to Europe and South America before another visit home in August. However, his parents plan on a trip to Annapolis during June Weeks when they will see him before he leaves this country.

Mrs. William Maher, the other Grady daughter, lives on Birwood avenue, in Birmingham, and the Mahers have delighted the Grady's with four young grandchildren.

The oldest son is a member of the Detroit priesthood in West Baden, Ind., where he is studying philosophy. His parents visited him there last fall, and were thrilled at the beautiful location of the school.

Grady is in the half-tone screen production business, under the firm name of the Moore Laboratories.

The Girl Scout cookie sales start Feb. 6. Members of the Walnut Lake scout troops will be ringing doorbells soon to take an order.

Mrs. Martin Fisher, of Deering drive, is chairman of sales.

Games prizes during the evening were won by Mrs. Courville Morrow, Miss Kerry Smith, Mrs. Ruth Brown, Mrs. Perry Graber, Mrs. Ira Weaver, Sr., Mrs. Emmet Delaney.

Mrs. A. G. Ofenstein, Mr. and Mrs. Rudolph Schmeidt, Ray Embach, William Bishop, Brata Bryant, Richard Hart, Joseph Sapato and Norma Fayer.

The date of the Mystery Bus Ride was set for Friday, Feb. 24, when the bus will take off from Walnut Lake school at 7:00 p.m. The trip will include transportation, dinner and entertainment. Mrs. Jack Bell asks that members call her if they wish to join the party.

Walnut Lake Sub 2 Holds Winter Party At President's Home

WALNUT LAKE — The Winter Get-together of the Walnut Lake Estates Sub 2, held last Saturday evening, was well attended despite inclement weather. Highlight of the bountiful buffet table was the huge birthday cake in honor of the birthday of Julian Ofenstein.

Games prizes during the evening were won by Mrs. Courville Morrow, Miss Kerry Smith, Mrs. Ruth Brown, Mrs. Perry Graber, Mrs. Ira Weaver, Sr., Mrs. Emmet Delaney.

Mrs. A. G. Ofenstein, Mr. and Mrs. Rudolph Schmeidt, Ray Embach, William Bishop, Brata Bryant, Richard Hart, Joseph Sapato and Norma Fayer.

The date of the Mystery Bus Ride was set for Friday, Feb. 24, when the bus will take off from Walnut Lake school at 7:00 p.m. The trip will include transportation, dinner and entertainment. Mrs. Jack Bell asks that members call her if they wish to join the party.

Garden Club Meets

WALNUT LAKE — The Feb. 6 program of the Walnut Lake branch of the Woman's National Farm and Garden Association will be in charge of the horticultural committee, of which Mrs. R. C. Bansen is chairman. The group will meet at the home of Mrs. Reginald L. Smith, 5738 Euclid road, at 7:00 p.m. Tea hostesses for the day are Mrs. John Bell and Mrs. Jeffrey Keane.

EXPANSION AT VICKERS INC.

PROVIDES EXCEPTIONAL OPPORTUNITIES FOR Hydraulic, Mechanical & Electronic Engineers

HYDRAULICS INDUSTRY GROWTH POTENTIAL
Indicative of the continuing rapid rate of growth of the hydraulics industry is Vickers need for the new 150,000 sq. ft. research, engineering and administrative building shown above. No manufacturing will be done here.

DESIGN ENGINEERS
Experienced product designers and recent graduates with degrees in Mechanical, Aeronautical or Electrical Engineering.

PRINCIPAL FIELDS OF APPLICATION FOR VICKERS HYDRAULICS

- AIRBORNE**
Missile controls, jet engine controls, constant speed drives, servo-mechanisms, valves and complete aircraft hydraulic systems.
- AUTOMOTIVE**
Power steering and other hydraulic systems and accessories for passenger cars and light trucks.
- MOBILE EQUIPMENT**
Agriculture, construction, earth moving and materials handling hydraulic units and complete systems.

RESEARCH AND DEVELOPMENT ENGINEERS
Experienced theoretical and laboratory engineers (mechanical and electronic) and physicists.

TECHNICAL SALES ENGINEERS
Experienced Mechanical or Electrical Engineers who have sales ability and are willing to relocate after training. Excellent opportunities also for recent graduates to train for hydraulics sales.

INDUSTRIAL MACHINERY
Components and complete systems for automation, numerical control, machine tools, mining, textile, lumber, etc.

FEDERAL AND MARINE
Army ordnance, atomic energy, marine and naval vessel components and complete systems.

These are really exceptional opportunities to grow with a rapidly expanding company. Full resume of education, experience and personal qualifications to:
