HELPING SET UP Kingswood school's new art gallery are Mrs. Alicia Smith, school librarian (left), and Marion Goddard, headmistress (right). They are hanging one of the works of Birmingham hobby painter, Roy P. Jensen.

**Students Learn About Art
In New Gallery at School**

"Students learn a lot more looking at actual paintings than they do from reproductions in books or magazines," explained Jim Bryant, art instructor at Kingswood school Cranbrook. This is one of the reasons that a little art gallery has come into being, adjacent to the school's art department. First exhibition hung in the gallery contains the works of a group of hobby painters who have their headquarters in Farmington. Officially opened last Friday evening, the exhibit will remain up through Feb. 10. Displaying paintings, sculptures and other art works of amateurs and professionals, the gallery will be open to the public from 9 to 4 weekdays.

New York Life's new insurance policy

GIVES A YOUNG MAN TIME TO "GET ON HIS FEET"

Term-Whole Life Policy gives low-rate term protection now—changes to permanent insurance later!

HERE'S HOW IT WORKS!

New Term-Whole Life provides \$10,000 minimum protection at the low rates for Term insurance. When it changes to higher premium Whole Life after the 2, 3, 4, or 5 year term chosen, you'll own permanent insurance that builds cash value! Future health impairments can't affect coverage.

HERE'S WHAT IT COSTS!

For example, if at age 20, you take out a 4-year Term-Whole Life Policy for \$10,000, your annual premium for the first four years is only \$84.30. Then, premiums increase to \$228.50 annually. However, dividends can be used to reduce payments. At 65, your policy's cash value will be \$5,670 plus any dividend credits.
