

Dessert to Honor Square Dance Caller

The Adams PTA square dance scheduled for Friday evening will again be the occasion for several neighborhood parties before and after the dance.

The Lee Brennans, who have called the dances at Adams for several years, will be the guests of honor at a dessert party at the Oliver Rodgers' home prior to the dance. The Daniel Neabitts and the Herbert Snellings, both of Oakland avenue, have invited groups to their homes to conclude the evening.

The Brennans will provide instruction at 5:30 p.m. and the dance, open to all, will get under way at 8 o'clock.

THE GENERAL ELECTRIC "WEATHERTRON" heat pump is shown in this recreation room setting. The revolutionary new heat pump was recently on exhibition in the Detroit Edison office in Birmingham. It is a heating and air-conditioning unit all in one. Entirely electric, it uses outdoor air as a source of heat, delivering that heat to the indoor air. Five such heat pumps will be installed in the new Pontiac Detroit Edison office, taking the place of the conventional warm air furnace and air conditioner.

THREE RIVERS HOSPITAL

Hospital administrator Erickson sees examples daily of patients who have inadequate hospitalization coverage. "Because Blue Cross benefits are service benefits—with no dollar limits—they always keep abreast of the times," he says.

"Doing my job, I find more and more reasons each day..."

Why your community hospitals sponsor Blue Cross

—says Mr. W. E. Erickson, Administrator,
Three Rivers Hospital, Three Rivers, Michigan

Yes, as a hospital administrator, it is my job to see to it that each patient gets the services prescribed by his doctor as well as the kind of modern general hospital care that will get him well in the shortest possible time.

Day after day, I have to deal with patients whose insurance policies do not provide for this kind of modern hospital care. They have insurance policies with fixed dollar limits. Too often these dollar limits are pathetically low.

Neither I nor any other hospital administrator can tell you in advance how much your hospital care, when you need it, will

cost you. Since you are dealing with an unpredictable cost, why should you buy hospitalization coverages with prefixed dollar limits on any of the services?

This is why your community hospitals in Michigan and throughout the country sponsor Blue Cross. Blue Cross gives you service benefits. This assures you the services you will need to get modern hospital care. And Blue Cross Comprehensive Contract benefits have no dollar limits. Moreover, these benefits always keep abreast of the times. They do the job for you. Blue Cross is your answer to the problem.

Blue Cross, Blue Shield.
