

Minneapolis Ford Post to H. J. Head

Appointment of H. J. Head, 2424 Windemere, Birmingham, as Controller, Minneapolis District Sales Office, is announced by S. J. Gillen, controller, Tractor and Implement Division, Ford Motor Company. Head was formerly supervisor of the Financial Statement Sec-

tion of the Division. He joined Ford in August, 1953, after six years with Dearborn Motors Corporation, former national marketing organization for the Ford tractor. He joined Dearborn Motors Corporation in March, 1947, as an accountant and later served as Gen-

eral Ledger supervisor. A native of Belfast, Ireland, Head was educated in Detroit where he attended Wayne University and Walsh Institute of Accountancy. He was an accountant for three years with Borg-Warner Corporation in Detroit before entering the U. S. Army Air Force in October, 1942. He was discharged from Army service in February, 1946.

GUY H. PITTS

Pitts Appointed Division Manager

Terry W. Kahn, executive vice president, Bohm Aluminum & Brass Corporation, has named Guy H. Pitts, Wing Lake, Bloomfield, manager of the fabrication division. His new duties will entail overseeing manufacturing operations in six plants in Michigan and Indiana. Pitts was born in Painted Post, New York, and received his early schooling there. After graduation from high school he left Painted

R. E. Cook Attends Business Session

R. E. Cook, 1798 Winthrop, Birmingham, attended a two-day business session in Kansas City, Mo., last week with the home office executives of the Business Men's Assurance Company of America. He is branch manager of the company for eastern Michigan.

J. W. Sawyer, vice president, presided at the meeting Monday. This included a review of the program which resulted in the recent achievement of a billion dollars of life insurance being put in force and a discussion of the future by J. C. Hinton, company president, and J. P. Baldwin of Los Angeles, Calif., vice president in charge of the West Coast branch offices.

On Tuesday, N. B. Moates, branch manager of the Nashville, Tenn., office and president of the BMA managers association, led a discussion of specific plans and problems facing the company organization in 1956.

Post to attend the University of Michigan. He received his engineering degree in 1940. His first position was with the Aluminum Company of America. In eight years he rose to Chief Plant Engineer. His next position was Senior Staff engineer of the Norge division of Borg-Warner Corporation. He joined Bohm in 1950 as chief engineer of Plants 5 and 8. Subsequently he was named manager of the same plants.

BILL MICHAELS

Michaels Named Storer Vice-Pres.

Appointment of Bill Michaels, 5 Woodberry, Bloomfield Hills, managing director of WJBK-TV, to a vice presidency in the Storer Broadcasting Company, was recently announced by William E. Rine, northern vice president of the Storer company.

Michaels, managing director of WJBK-TV since December 1954, joined the Storer Broadcasting Company on September 1, 1953,

when Storer purchased KABC, San Antonio. Michaels was managing the station at the time and was retained in that capacity. He had been with the station since 1940. Appointed manager in 1946, he remained in San Antonio until Storer sold KABC then, upon separation of radio and television in Detroit last November, Michaels received the appointment as managing director of WJBK-TV.

THE 800 TWO-DOOR CATALINA

The car says 60 and the price won't stop you!

Easy way to break the small car habit!

It's the hardtop buy of the year — the most power and size per dollar of any car in this style.

If you're accustomed to buying in the low-priced-three range, chances are you're paying for Pontiac's size, performance and distinction—but you're not getting it! As a matter of fact, you're not even coming close!

Actually, the big, handsome Pontiac 860 Catalina you see here is priced within the

reach of just about any new-car buyer!

Its king-size 122-inch wheelbase gives you up to seven inches more road-leveling length. This extra-long wheelbase—size where it counts—is what gives Pontiac its genuine big-car comfort and stability. And certainly it follows that this size extends as well to its rich, luxurious interior!

But behind the wheel is where you really feel your dollars doing double duty!

Where else at a price so low can you enjoy the thrilling sensation of bossing the most modern, most advanced power plant in the

industry — the mighty Strato-Streak V-8?

Where else at a price so low can you get the luxury of Pontiac's optional Strato-Flight Hydra-Matic—America's newest, smoothest automatic transmission?

Where else at a price so low can you find all the other fine-car features that put you so squarely on even terms with buyers of far costlier cars?

Come in this week and see how easily this heart-lifting Strato-Streak beauty can be yours. Once you do, you'll be out of the small-car class forever!

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!
