We Heard It Said By:

JUSTICE JOHN J. GAFILL of Birmingham justice court, "As I drive around the city, I am amazed at the number of motorists who fail to make complete stops at stop signs. If an officer saw them, they would get a ticket. Besides, they risk an accident when they merely slow down before entering such intersections."

A million tourists yearly visit the Cascades-In Sparks Foundation county park, Jackson. The waterfalls extend 500 feet, and drop 64 feet in 11 falls. At night, over 1000 magical colored lights floodlight the falls and spouting fountains.
