Walnut Lake PTA Square Dance Set For January 19

WALNUT LAKE—Square dancing will be the attraction of the evening Thursday, Jan. 19, as Walnut Lake parents turn out for another fun-filled evening.

These dances, sponsored by the Walnut Lake school PTA, are held in the school monthly, with an instruction period from 8:00 to 9:00 p.m., and dancing from 9:00 to 11:00.

Calling is done by Al Griffith, an enthusiastic exponent of the art, whose love for calling squares has grown from a hobby into a part-time occupation. Parents and young people in the community are urged to form a group and attend.

"If you are unable to complete a square, come anyway," say PTA members. "A good time is guaranteed, it is a wonderful place to get acquainted with your neighbors, and the entrance fee is nominal."

Recommended attire is sport shirts for the men, full skirts and comfortable flaties for the ladies.

Raise Twp. Value \$21 Million in 1955; \$20 Home Permits

SOUTHFIELD—Township home building totals, along with total valuation gains, dipped slightly below the 1954 figures, according to a recording of two new songs on the record counters in Feb.

Daughter of Mr. and Mrs. Irwin E. Husey, of Lathrup, Jan. has done "Magnet" and "You're My Thrill" on E. C. A. label. The songs were written, especially for her by Bernie Wayne, and Jane will tour the country soon plugging the songs with nationally known disc jockeys.

Jane has done TV and radio work. She has sung at the Drake hotel in Chicago, on Breakfast club, and in Detroit clubs.

Two other songs will be released about June this year. They are "The Story of My Life" and "Walk with the Wind."

Building Inspector Frank Gidley predicted a record year in home building for 1955, because of Southeastern Oakland County Water Authority's promise of Detroit water for the area.

BUILDING on a mass level has been held back in many instances because of lack of sufficient water. When final figures have been compiled, Southfield's property values should stand somewhere near \$90,000,000 before equalization. Total township values at the end of 1954 were \$69,757,913.

Some of the bigger building permits issued in 1954 were: McKinley-Brooks school two-story addition, 10 Mile and Southfield roads, \$396,570; Allstate Insurance Co. office building, north side of northland drive, near Northland Center, \$750,000; Addition to Beverly School, Beverly road, \$183,000; Water pumping station at Northland center, \$234,000; Bendix Aviation Corp. two-story \$750,000 building on north side of 10 1/2 Mile at Northwestern; and Nine Mile-Evergreen school addition, south side of Nine Mile road, Sec. 35, \$295,770.

Community Saying Farewell To Cass Brovarney Family

The Cass Brovarneys, of Lawndale drive, are moving this month to Longwood Farms, near Chicago Heights, Ill. as soon as their new home is ready for occupancy, and members of the community are unhappily saying their goodbyes to one of the most active families in the area.

Mrs. Brovarney is the daughter of the John Bells, of Putnam drive, and her husband is the son of the Bernard Brovarneys on Sunnyside.

The executive board of the Walnut Lake Woman's club combined a farewell party with their regular monthly meeting, and presented a gift to their departing members.

Present were Mrs. Perry Graber, Mrs. Harry Board, Mrs. Don Harrison, Mrs. Emma Delaney, Mrs. Robert Lockhart, Mrs. John Smith and Mrs. Kyle Winemiller.

A large group of friends entertained the Brovarneys at South Lyons last week, also, and the entire membership of the Walnut Lake Branch of the Woman's National Farm and Gardens association gave a luncheon on Thursday at the E. S. Maund home on Darnmore road.

At the latter party, the luncheon buffet table was decorated with yellow chrysanthemums, a gift from Mrs. Parker Rockwell, and the club presented their honor guest with a large silver tray.

Chairman of the luncheon was Mrs. John Smith, aided by Mrs. E. E. Murray and Mrs. Ed Sinta.

Snow and icy roads from Cleveland homeward greeted the Donald E. Buttons as they returned from a sunny Southeastern vacation last week. In Florida they had visited relatives in Lakeland and Fort Lauderdale, and drove on to the Keys. After resting up from their trip home, they took daughter Nancy back to Albion college to resume her senior studies there.

Dinner guests at the Murray P. Forhan home, on North Climbury road, recently were Mr. and Mrs. Ivan Hill, Mr. and Mrs. Norman Forhan and Mr. and Mrs. Thomas Hill of Grand Rapids. The group was joined in the evening by Mr. and Mrs. James Coomes of Pontiac.

The Forhans also entertained at their fifth annual party for fellow office employees of Forhan. Present on this occasion were Mr. and Mrs. Russell Stroud, Mr. and Mrs. Robert Schneider, Mr. and Mrs. Marvin Chin, and Mrs. Robert Schroeder, George Skiba-Piobowski, and Mr. and Mrs. James Deimle.

More Florida visitors as the new year started were Mrs. Robert Beemer and her two children, Sherry and Wendy. Mrs. Beemer, a resident of Poplar, was visiting her sister, Mrs. Alvin Kalt of Miami.

Guests at the Jack Worth home on East Dartmoor road during the last two weeks have been keeping the family in a happy uproar. From Upper Sandusky, Ohio, came Mrs. Worth's parents, Mr. and Mrs. E. E. Worth, formerly of Dearborn. Mr. and Mrs. Herbert E. Hoxie of Arlington, Va., arrived with daughter Connie and seven-month-old son Chippie, who was meeting his relatives for the first time. Mr. and Mrs. James E. Miller came from Greeley, Colo. Miller.
