

### Mothers Volunteer To Aid Polio Drive

WALNUT LAKE.—All residents are urged by Mrs. John Nabeabian, Walnut Lake school district chairman, to turn on their yard and porch lights between 7:00 and 8:00 next Thursday evening, Jan. 26, when neighborhood mothers will be out to call on each home during the porchlight drive for the March of Dimes.

Every doorbell will be rung during the hour, and lights will insure the safety of the mothers who are donating their efforts in the campaign.

In addition, workers would appreciate having all dogs safely tied or secured inside during the hour as they frequently pose a hazard to the unknown solicitor.

Area chairman under Mrs. Nabeabian are Mrs. John M. Sgall, Mrs. Vernon Nickel, Mrs. Robert W. Smith and Mrs. John Gibson.

### New Intermediate Girl Scout Troop Is Organized

LATHRUP.—A new Intermediate Troop has been formed by five scouting experiences to girls who have never been Scouts or Brownies. Leaders are Ila Smith and Ardell Isaacson. The few girls in the troop who have had some experience will act as assistants to leaders and as a service team. Mrs. Linn Hobbs reported that Troop 158 made more than 300 pins as gifts for children in the Oakland County Home.

Troop 159, led by Mrs. George MacLachlan and Mrs. Norman Nielsen filled stockings with toys and mittens for a rotund 4-year old at the Sarah Fisher Home.

Feb. 6 has been set for the starting date of the annual Girl Scout cookie sale. Mrs. George Jacquillard will chair the sale.

Dates have been set for the annual Girl Scout Father-Daughter dinner. Intermediate Scouts will hold their banquet March 15. The theme of the banquet this year will be "The Girl Scout in the Community." The Brownies are held each year in March to celebrate the birthday of Juliette Low, founder of Girl Scouting.

### Lathrup Pupils Participate In Gift Program

LATHRUP.—Children at Lathrup school are taking part in a Junior Red Cross program, sending gifts from school in the United States to war-torn countries of Europe.

Gift boxes contain crayons, pencils, paper, a comb, tooth brush, tooth paste and a small toy.

There is space for names and addresses of children contributing to this program on a letter form, enclosed in each gift box. The letter is addressed to the Brownies at the child receiving the package to send a thank you letter back.

One such thank-you note written by a European child read, "My family and I enjoyed your gift box. We love your red comb," which would seem to indicate that the whole family shared the gift box and one child received a comb.

Mrs. and Mrs. William Reinhard, San Quentin, have translated the European letters.

Some gift boxes are purchased directly from Junior Red Cross with the contributions of school children while others are filled here.

Some of the boys and girls form committees and with their teachers go shopping for the necessary items needed to make up the boxes.

### 'Bad Breaks' Beset Franklin Class

FRANKLIN.—Broken bones seem to be contagious among the now sixth graders at Franklin school. The latest victim is Mary Ann Bates, who broke her leg while skating last week. Charlene Newhouse was first on the chain of bad luck two years ago, broke her ankle.

Angela Ann Daddon, her classmate, suffered a broken leg from a fall while skating a year ago. A gymnastic accident left Elaine Albert, another classmate, with a broken leg last spring and Eddie Hays was laid up all summer with a leg broken in a fall.

The next thing to be broken as far as the rest of the class and their parents are concerned is the unhappy chain itself.
