rou've probably noticed that more and more people seem to be stepping into the upper Y people seem to circle of fine cars.

And there can be no doubt that "good times" have a lot to do with this.

But all by itself, it doesn't explain the sudden spurt in sales of the finest of Buicks – the 1956 ROADMASTER.

For it has always been our experience that folks with the wherewithal to buy any car they choose are apt to be the *choosiest* of all.

So it seems quite clear that the marked and increasing preference for ROADMASTER is in the fineness of the car itself.

ROADMASTER starts off with all the virtues that have vaulted the full line of Buicks to soaring popular favor - then caps that acclaim with a worthiness all its own.

You sense this especial eminence at once-in the individualized styling of this gracefully proportioned car.

You recognize it again-in the quiet elegance of its custom appointments—and in the good taste of its luxurious fabrics and color harmonies.

But you know it for sure in the lift and thrill and spirit of ROADMASTER performance.

powered V8 engine in Buick history—coupled to the flash-fast response and absolute smoothness of an advanced new Variable Pitch Dynaflow most modern transmission in motoring today.

And here is Buick comfort, Buick handling eas Buick roadability, and the great Buick ride—each brought to its peak in this Buick of Buicks.

In all truth, no man who puts true merit above mere symbol could ask for more than is, his in ROADMASTER.

If that applies to you, we'll be happy to arrange an introduction. Will you phone us—or come in
