To Declare Need for Third Lot

Third municipal parking lot, which eventually would see at least a two-story parking garage constructed on it, will be situated behind business frontage on the north side of Hamilton avenue, be-

Streets.

City commissioners Tuesday night agreed next week they would passing on the project's necessity.

To provide 174 ground level spaces, it could easily be expanded upward with an additional 120 or 180 spaces depending on future demands.
