The Birmingham high school graduates participate in the scholarship fund Mrs. Abbott administers for the Birmingham Alumni of the University of Michigan.

## U of M Alums to Hold Parties for Scholarship Fund

Activities begin this week in preparation for the scholarship fund-raising project of Birmingham Alumni of the University of Michigan.

President Mrs. Fred A. Henry, states that funds raised through the afternoon and evening parties will be applied to the group's scholarship fund.

THE FUND with which the alumni give financial assistance to University of Michigan students is administered by Mrs. Carl Abbott.

Two Birmingham high school graduates now at the university are being assisted through the scholarship fund. Dorothy Ojala, 19, of 947 Ann, supplements her scholarship receipts by clerking 17 hours a week in an Ann Arbor children's wear shop. Dorothy, a sophomore, is being assisted by the alumni group for the second year.

BILL DOVE, 18, of 640 Wallace, was awarded the Birmingham alumni scholarship when he completed high school work last spring. Bill is now a freshman at the university.

Scholarships for students selected by the Birmingham alumni education committee continue through the four college years, so long as the students maintain their high scholastic standing.

The University of Michigan alumni hope to increase their scholarship fund sufficiently to add more deserving students to those already receiving its benefits.
