GORGEOUS PACE

-and a figure you'll love

This new Buick SPECIAL 2-Door 6-Passenger Sedan
delivers locally for less than some models
of the well-known smaller cars.
Come in and check!

If you think you can't afford a big-bodied, big-powered, big-muscled Buick like the one shown here—we'd like to set the matter straight.

If you can afford any new car, you can afford this strapping and stunning Buick SPECIAL Sedan—and no kidding.

For this Buick is tagged within a few dollars of the well-known smaller cars—and actually costs less than some models of those very same cars. The price we show here proves it.

So maybe you can understand why Buick—for two years running now—has outsold every other car in the land, except two of those well-known smaller cars.

But low price is just part of the picture.

Big reason for Buick's soaring sales sweep is that folks are finding here a lot more automobile for the money—more style boldness, more power thrill, more ride stability and more solid structure than the same dollars buy elsewhere.

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

Just ask yourself: wouldn't you rather go traveling with the lift and life and pace and poise of a stunning new Buick—when it's all yours at just about the price of a smaller car?

If your answer is yes, then the time is now—right now.

Drop in on us this very week—tomorrow would be fine—and we'll seat you at the wheel of the biggest and most beautiful bundle of high-powered Buick ever offered in America's low-price field.

Best Buick yet
