Country Festival Is Scheduled At St. Mary's

It started several years ago as an ice cream social, and by now the "Country Festival" has become an important occasion at St. Mary's-in-the-Hills Episcopal church.

This year's festival is scheduled for Saturday, July 28, on the grounds of the picturesque church, once a school house on the former Scripps estate on Jocelyn road near Lake Angelus.

From 4 p.m. on, there will be a penny arcade, pony rides, a merry-go-round and a fish pond for the children, a shooting gallery for the boys and their dads, and a white elephant booth. In the food department, there will be homemade cakes and ice cream, cold drinks, and a baked goods sale.

DINNER WILL BE served under the trees by the members of St. Mary's guild. Not only members of the church, but also a number of the residents of the church's Lake Angelus area, who represent a variety of religious faiths, are working together to make the event a successful holiday for festival-goers. The Rev. William C. Hamm, pastor of the church, will be on hand to welcome guests.

Among Birmingham residents who are working on the event are Mrs. Bernard F. Zinn, Mrs. Allen B. Tomson, Mrs. Melva Tappan, Mrs. Grant Watt, Mrs. James F.uson, and Mrs. Howard Hite.

From Bloomfield Hills are Mrs. Duncan McCallum and George S. Hodges.

DR. KONTZ WILL direct and coordinate the Council's activities for one year in the unsalaried position of denominational service. He will continue his full service as pastor of the Baptist church.

The local Baptist church was cited recently for its remarkable record in missionary giving. In the past eight years, it has increased its mission contributions by over 100 per cent. Dr. and Mrs. Kontz will return to Birmingham tomorrow.

Joyce Nielsen Leaves to Work With S. D. Indians

Joyce Nielsen, a member of the Birmingham Congregational church and its senior High Pilgrim fellowship, will leave July 13 to spend a month at Bad Nation, S. D., working among the Sioux Indians.

Joyce, one of 30 U. S. high school and college age young people accepted, will be working in an Ecumenical work camp, sponsored by the Congregational Christian service committee of New York.

The "disciple in dungarees" will be helping dig a well, paint a church and parsonage, while working seven hours a day, participating in activities of study, worship and play with Indian youth.

Community Church Ribbon-Cutting Slated Sunday

JOYCE, THE daughter of Mr. and Mrs. Carl H. Nielsen, of 1008 Oakridge, Royal Oak, has served as an officer and as church school secretary. Recently she attended a church vocations conference at the Chicago theological seminary.

The Women's fellowship of the Congregational church have presented Joyce with a \$25 gift toward the expenses of the work camp, July 14 to August 11.

Communicants of Franklin Community church will meet in front of their new church Sunday, for special ceremonies before their first regular worship service in the new colonial structure.

Scheduled for 10 a.m. Walter Dryer, contractor, will present the key to the church to Grant Siver, chairman of the building committee. The Rev. Robert J. Searls will cut the ribbon.

The congregation will be led into the sanctuary by the building committee, who will serve as ushers for the day. They will be followed by the adult and youth choirs and Rev. Searls.

Formal services of consecration will take place in September. Only the sanctuary unit of the church is now complete.

Tours of the church will begin Aug. 1, when the education wing of the building will be completed. At present church school will continue to meet at the old address. The new church is on Franklin's Village Green, one block west of Franklin road at Wellington.

For example, take the beautiful big '56 Buick SPECIAL pictured here. It's one big reason why Buick now ranks in the top three of America's best-selling cars. Yet, you'll find it priced right close to the well-known smaller cars.

That sure makes Buick a whole of a lot of car for the money. And look: Nowhere but in a '56 Buick can you get the absolute smoothness and the electrifying performance of Buick's terrific new Variable Pitch Dynaflo.* Nowhere else can you get the obedient responsiveness of Buick's big and mighty new 322-cubic-inch V8 engine.
