Local Engineering Firm Expands to King and Park

Consulting engineer, Bruce A. King, Jr., P. E. (Professional Engineer) with offices at 844 South Adams Road, Birmingham, Mich., announces the expansion and incorporation of his firm. The new organization is King and Park, Incorporated, consulting mechanical and electrical engineers.

Principal members of the new firm are Bruce A. King, Jr., P. E.; James A. Park, P. E.; and Alan E. Waite, P. E. The new firm is currently working on many projects of a broad and varied nature.

KING IS a graduate of the University of Illinois and presently holds membership in the Michigan Society of Professional Engineers and Engineering Society of Detroit.

Vice President is James A. Park who was formerly associated with Snyder-McLean of Detroit. He is a graduate of Wayne State University and holds a commission as a lieutenant colonel in the Air Force reserves.

ALLEN WAITE is a professor of mechanical engineering at Wayne and will be acting as consultant to the new firm. He is also a registered mechanical engineer in the state of Michigan.

The remaining incorporators are James McWhorter graduated from the Michigan College of Mining and Technology, Iron Chevor who came with the old firm a year ago from Albert Kahn. He is heading up the electrical department of the new firm and is a graduate of University of Michigan in electrical engineering.
