## Douglas Danziger Awarded Eastern Trip to Choir College

After terminating a year of choir work at Kirk-in-the-Hills under the leadership of William P. Rennecker, minister of music, Douglas Danziger was awarded a scholarship to Westminster Choir College at Princeton University.

Douglas left Sunday evening for Princeton where he will join some 200 participants from all over the country for this annual event.

A three-week, all-expense paid trip to this worthy school was awarded, won for such attributes as cooperation, maturity, attendance, sincerity and all-round qualifications as representative of Kirk-in-the-Hills. It will be his job to rather all possible techniques in choir work and bring them back for use at the Kirk.

Douglas, son of Mr. and Mrs. Edmund Danziger, Birmingham, will be a sophomore at Bloomfield Hills high school in September. He is also a member of the high school choir.

### NEW FAMILIES

Wing Lake welcomes the L. William Sessions family who recently moved into their home, the former T. Lydard Blakeman residence on Wing Lake road. The Sessions children are Stuart, 8, David, 4, and Andrea, 1.

Mr. and Mrs. Sessions are from Michigan, she having come from Hillsdale and her from North Muskegon. For the past two and a half years they have lived in London, England, where Sessions was employed at the Monsanto Chemical company.

Last fall, they were to move to Sydney, Australia. In November, they shipped their furniture to Sydney from London and then came to the states for North Muskegon. While in this country, the decision was made that they would remain in this country.

This called for the furniture to be sent from Sydney to Detroit. However, there was a month-long dock strike in Sydney. Everything put together, they have just now received their furniture almost completely ruined. Nearly every piece was broken, mangled and unusable.

The crowning blow came when their grand piano, purchased in London and which was miserably smashed, finally had been rebuilt to a fine condition and was ready to be delivered. It went up and blazes at the repair shop, just before delivery day when the shop burned down.

Slowly but surely, the furniture is being restored, and the Sessions are eagerly settling in their new environment.

Sessions is sales manager of Monsanto Chemical company. His fraternity is Phi Psi and aside from all sports which he loves, he is a hi-fi enthusiast. They both enjoy bridge. Mrs. Sessions is a Phi Psi and her hobby is gardening.

Mr. and Mrs. R. D. Albertson moved from Orchard Valley to their new home on West Surrey June 15. They have two children, Bobby, 2, and Carol, 1. Albertson is a builder.

Arriving from Schenectady, N. Y., Mr. and Mrs. Ben Storms moved into their new home on East Surrey June 12. They have three children, Elaine, 11, Benjamin, 9, and Brian, 5.

Storms is in the marketing section of General Electric, carbons department. He is a member of the American society of tool engineers.

In Schenectady they were both very active in the Schenectady Light Opera company. He sang and she played and sang in the chorus.

Mrs. Storms is a member of the American Guild of Organists.

Mr. and Mrs. Charles Robinson and her brother and sister-in-law, Mr. and Mrs. Edward B. Harton, New Jersey have arrived home from a trip to the Northwest. While there, they enjoyed a cruise around the San Juan islands and enroute home by air, stopped off at Denver, Reno and Salt Lake City.

Mrs. H. D. MacGregor has been in her new home on Sandy Lane for the past six days, moving here from Birmingham.
