### Camping Out Finds Favor With Harold DeOrlow Family

The Harold DeOrlow family, Indianwood Trail, finds an honest-to-goodness camping trip a real vacation. Six miles north of Harrisville, at a lighthouse point on Lake Huron is the ideal spot to set up camp, they have discovered.

A beautiful sand beach as far as the eye can see is ideal for the three children, Steve, Charlotte and Susie, and supplies perfect conditions for cook-outs. They have just returned from there and already are planning a return trip later in the summer.

Mr. and Mrs. Paul Davis, Karen

and Kenneth of Sly Court drove to Dugger, Ind., to visit maternal and paternal grandparents of the children.

Mr. and Mrs. Fred Stoye, Meadow Lake road enjoy weekends throughout the summer at their

cabins at Higgins lake. Their guest cottage is often occupied by the families of their 15 sons, Dr. Fred and Walter of Detroit.

A party Saturday, celebrating the eighth birthday of Billy Patterson, son of the Arnold Pattersons of Wing Lake road will include nine of his playmates. Table decorations and favors will follow a cowboy and Indian theme. Lunch will be served out doors and a game of baseball will serve as the afternoon's entertainment.

Mrs. Robert Augur and daughter Lisa, Marquis lane, spent several days in Kentucky visiting relatives.

A week's vacation was enjoyed at Lake Margaret near Grayling, by Mr. and Mrs. J. Hoffman, Chamberlain drive and four of their children.

Mr. and Mrs. E. H. Webster have moved into their home on Chamberlain drive. Their former home was Springtown, Pa. They have a five-year-old daughter, Marian, and a son, Jess who soon will be two. The Websters both enjoy golf.

A camp-out for children of third grade age and older who have been attending the summer recreation program at Wing Lake school this summer is being planned by William Maguire, instructor. Children from this area who are looking forward to the event and are gathering together all available camping equipment are Terry and Diane Moore, Barbara Wall, Sue Hertzler, Cherie Patterson, David, Patty and Bobby Dillow. They will leave Friday and return on Saturday.

Mr. and Mrs. Jack W. French and their children are enjoying a two weeks' vacation at their summer home at Houghton Lake.

Newcomers now residing on Culby lane are the James Kiers. Their two daughters are Pamela, 4 and Leslie, 2. Mr. Kier is service representative for Penns Salt Mfg. Co. Their former home was Cleveland, Ohio.

### New Residents on Reduth Court Hold Childhood Memories of Area

The Edward Spicers, newcomers to the Gilbert Lake area, but raised in Birmingham, have seen many changes here. The area now filled with suburban homes on good-sized lots was, Margaret Spicer can remember as a youngster, made up of big farms.

Great-great grandfather Spicer's home was located where Oaklawn Hills country club now stands. The land around Hills drive, now lined with modern ranch homes, was grandpa's "north forty." For those who have been giving a young "buggy-whip" tender care, in the hope that a few summers hence, a tree will develop, it can be disconcerting to know that the area was heavily wooded, and pine trees 200 feet high were not uncommon.

Not all homes in the area are new. There are farmhouses dotted here and there which were the homes of these early owners, and the descendants of these people, in many cases, live in them today.

Margaret Spicer, whose great-great uncle was a mayor of Birmingham when it was just a village, and Edward have moved into a new home on Reduth court. They have two children—Edward Dale, Jr., and Peggy Lynn.

The Spicers belong to the Royal Oak dance club. Spicer is with Ford Motor Co.

Other newcomers are Jean and Robert Miller whose new home is also on Reduth court. The Millers formerly lived in Grosse Pointe and are members of Lochmoor country club. Robert Miller is with Max Broock.

"Buster," parakeet pal of the F. C. Knoblock's young clan is safely home again. Buster took off one day last week headed in a southerly direction and, young Bob Knoblock says, got as far as Snowshoe circle even with a headwind. Rescued there, Buster is now resting up in his lake front home on Shadow lane.

The P. C. Robinsons took time out from the loving care given their colorful garden over on Overlea and headed north for a two-week stay at their cottage on Devil river.

Seashore bound for a long month

Mrs. D. Lewton will be on hand to offer congratulations.

Mrs. Edward Conner's father, James Work, and her sister, Miss Janet Work, were recent guests at the Conner home on South Miller way. Here from Colorado, the travelers were on a 3400-mile see-the-country jaunt. They, along with Mrs. Conner's aunt, Mrs. A. A. Brown, were down to see Detroit's handsome new waterfront and they visited Greenfield Village. A Saturday night party for the travelers included Dr. and Mrs. Milton Stuechell, Dr. and Mrs. H. L. Miller and their daughter, Sharon, from Royal Oak, and Dr. and Mrs. G. P. Hamilton came out from Detroit.

The James Tuvas of Labor road gave a recent farewell party for C. E. Mudie who sailed for Scotland. Fourteen guests gathered to wish the Detroit, who will make his home in California after the trip, a bon voyage.

The Fred Zehnders of Hill drive are home from their New York trip. They spent two weeks in Manhattan.

Mrs. Harry Aten, Quanton road, is district captain for the United Foundations drive which takes place this fall.

At the Gilbert Lake Protective association meeting last Thursday at Devon Gables, Ben Hardesty, Armin Vogel and William Cooper were elected to the board.

#### Fire Truck Bids

W. B. M. TWP.—Bids have been asked on a new fire truck to replace that one now servicing Walnut Lake area, according to Mr. Charles English and Mr. and Frank Halsett, township clerk.
