A tactful plan for the bride-to-be

Come to our Wedding Gift Registry and record your selections in silver, dinnerware, crystal and other gifts . . . your needs and your desires.

Then when friends ask us (as so many of them do) for gift suggestions we will be able to advise them of just what you can use. Moreover, as selections are made we will keep track of them carefully to avoid duplications.

You too, can easily avoid embarrassment or wondering how much they wish to spend simply by saying: "My preferences are in the Wedding Gift Registry at LaBelles."
