

Glasgow Preacher To Fill Pulpit At Detroit Church

Because of the overwhelming response that met Scottish services at Fort Street Presbyterian church in Detroit in recent years, the church's session has invited a prominent Scottish minister to preach this summer.

Starting with last Sunday, and continuing every Sunday at 11 a.m. through August, the Rev. D. McKenzie Buchanan, pastor of Bromhill church, Glasgow, Scotland, will preach in the absence of the church's pastor, the Rev. Dr. Wendling Henderson Hastings. Special services following the order of the Church of Scotland will be held each Sunday night at 8 p.m.

1st Methodist Announces Appointment

The appointment of Miss Virginia Seger as director of Christian education at First Methodist church is announced this week by Dr. Arnold F. Runkel, pastor, and John Maynard, chairman of the church's staff committee.

Miss Seger will begin her duties August 1, coming here from Spencer, Iowa. On Sunday, August 5, she will be presented to the congregation at the regular morning service.

The new director majored in education at Cornell college, Iowa, where she received her BME degree. Following this she was supervisor of music in the public schools in Jefferson and Cresco, Iowa.

IN 1952 SHE decided to enter full time Christian service and enrolled at Scarritt college, Nashville, Tenn. From that college she received her master's degree in religious education.

She has worked with intermediate and senior youth groups in Nashville, and at several Methodist camps in Tennessee and Iowa.

She conducted operettas and youth choirs in connection with her course in church music and drama at Scarritt college. She also had one season of little theatre experience at Cornell college.

It's a Great Time to Buy a Buick!

Switch the Pitch - And you Zing like a Bird

You can do it only in a Buick. Only with Variable Pitch Dynaflo® can you switch the pitch like an airplane pilot does. Only with Dynaflo can you get a safety-surge of extra power that's smooth as a soaring bird. Only the newest version of Dynaflo gives completely smooth, swift acceleration — even at the first gas-saving inch of pedal pressure. Trying is believing—this new 1956 Dynaflo is years ahead of any other transmission. And it's just one of the great new features that you're missing if you're still driving an older car. So why wait for your present car to become another year older—and considerably less valuable as trade-in—when you can take advantage of

today's prices? And enjoy a car so excitingly new? Just look at Buick's new styling "Massive" and "grace" are words that seem almost contradictory. But they're beautifully combined in these newest Buicks. And in a classic way that will still look fresh for years to come. Just try the newest Buick ride. It's the steadiest yet. Based on deep-coil springs, deep-oil-cushioned shock absorbers, torque-tube drive, and a long list of new developments not even Buick has ever had before. To get a softer, more buoyant ride than this, you'd have to repeat the laws of gravity.

And to say that this is a great time to buy a Buick is really an understatement. Come see the sensible, down-to-earth prices of Buick's tremendous range of models. Come hear the deal we can give you. It's our deal—for your pleasure. Come draw up a chair—we're ready whenever you are.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
