Old Glory Flies Over Little League
"Old Glory" waves over Little League baseball players at Eton Field each night—thanks to the efforts of those interested in the youth program.
The flag pole was made by Ed Howard, a Senator coach, and donated by him to the Little League. Lou Clark, Oriole Manager, gathered a group of fathers to help make the event complete. Clark donated a Little League pennant.
Mrs. John Kroll, wife of a Federal Little League umpire, presented the American Flag which flies above the Little League pennant to complete the civic-minded project.

Let BOB ADAMS give your car 5 to 10 more horsepower

Here's how we'll give you this big power bonus. We'll drain and refill your crankcase with Shell X-100 Motor Oil Premium. X-100 Motor Oil Premium, unlike conventional oils, flows freely the second you start your engine. Your engine doesn't waste power pushing around conventional, slow-flowing oil. And X-100 Motor Oil Premium stops acid action—the major cause of engine wear.
