ALIVE TODAY because there was no seat for her on Saturday's return plane, his wife, Dorothy, accompanied him to California. She returned by train Sunday, after learning of the tragedy.

ROBERT D. LONG, assistant Oakland county prosecutor, said there was some question as to who is at fault.

RUBINIC was born in LaPorte, Ind., Feb. 16, 1912. He received his bachelor of science degree from Indiana university in 1940 and his doctor of juris, graduate from the University of Michigan in 1949.

Dohany, although called several times, has not been available for comment.

MULLOON, a resident of South for the past two years, was born in Jacksonville, New York, on July 27, 1899.

MEANWHILE, according to Gale, thousands of dollars damage is being done by the trees which should have been cleared out this winter so the disease would not have come readily to other trees this Spring.

SURVIVING him are his wife Mildred, three sons, Jerry, 30, Douglas, 28, and James, 25, and a daughter, Barbara, 23.

"THIS CAN and will happen again in other woodlots if we establish a precedent here. It could equalify our whole program, which has been very successful to date," said Gale.

MRS. ANN HIRKRELL, Bloomfield township deputy clerk, who has worked for 25 years, said, "Mr. Anderson's death is a great shock and a big loss to Bloomfield township.
