happy vacations begin in a Chevy

happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whiplash, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

America's largest selling car—2 million more owners than any other make.
