PLANS were laid for next year and the key point considered was that this year's success was due, at least in part, to the greater participation of women workers, remarked Mrs. Marshall.

Finance Chairman Hosts Area Workers

CHAIRMAN of Michigan Women's finance committee, Mrs. Charles A. Dean, Jr. (holding book) discussing plans for next year's drive with (from left) Mrs. Walter Appel, Mrs. Robert Stacey and Mrs. Edward Moseman.

Republican finance women, who as area and township chairmen worked on the recent fund-raising drive, met Friday at the home of the Oakland County chairman, Mrs. Brooks Marshall of Gordon lane, Birmingham.

There was a review of the procedures which were used in the successful drive, and also, a report was made by those women still campaigning for funds in areas in the county yet to be reached.

Speaker was Mrs. Charles A. Dean, Jr., of Grosse Pointe, a member of the National Finance committee and the originator of the plan in Wayne county of having women run parallel campaigns throughout the state. Chairman of the Michigan Women's Finance committee, her idea of asking women to seek funds in addition to those supported by their husbands has

Just Graduated... To a Cadillac!

It's graduation time! And this happy gentleman—appropriately enough—has just gone through some important graduation exercises of his own.

It was just a few minutes ago, in fact, that he stood in his dealer's showroom and accepted the keys to his first Cadillac car. And here he is—with his hands on the wheel and his heart in the clouds... driving out those first thrilling miles in the car of his dreams.

But even though he now holds his final degree, so to speak, in motor car ownership, his education in all the good things of motordom is only beginning.

Take performance, for instance. The car is so smooth and powerful, and so nimble and obedient that it automatically revises a man's standards of performance.

Consider comfort. Rolling along the broadest boulevard or taking the roughest bylane, the car is incredibly smooth and level in ride.

And think about satisfaction. What a great feeling it is to sit in command of the "car of cars"—and find yourself the subject of admiring glances on every hand.

Have you ever considered how wonderful it would be to "graduate" to Cadillac? If you have, then this is a marvelous time to make the move.

Certainly, it's the perfect season for enjoying a new Cadillac. The days are bright and long... the roads are beautiful and inviting... and there are wonderful places to go and exciting things to do.

And certainly, it has never been easier to sign your name to the title. We are, happily, in a position to offer you prompt delivery on your favorite model—and we know you will be pleased to learn how practical Cadillac ownership has now become.

Why not stop in while the springtime is still with us—and spend an hour or so behind the wheel?

It's a wonderful season and a wonderful car—and a wonderful opportunity to enjoy them both!
