Piano Students
To Be Presented
 Piano students of Mrs. Dorothy Roosevelt will be presented in recitals June 16 and 17 in their teacher's studio on Greenwood avenue, Birmingham.
 The younger students will perform Saturday at 2 p.m. and the advanced pupils Sunday at 3:30 p.m. Parents and guests will attend.

MRS. RUSSELL MANNEY, JR.

Janet Fairbanks Weds Russell Manney, Jr.

St. Benedict's church, Pontiac, was the scene of the wedding ceremony Saturday which united in marriage Janet Fairbanks, daughter of Mrs. Orval Fairbanks of Pontiac and the late O. G. Fairbanks, and Russell Manney, Jr., son of Mr. and Mrs. Russell Manney of Dunblaine road, Birmingham.

The bride chose imported chantilly lace for the noon rites performed by Rev. Richard Thomas in the presence of 250 guests.

STYLED WITH long lace sleeves and tulle bouffant skirt appliqued with lace, Janet's gown was distinguished by a portrait neckline topped with an illusion yoke.

Four attendants in pale yellow silk and cotton street length dresses preceded the bride down the aisle.

Mary Peterson of Edmore was honor maid and Mrs. Bruce Jacobson and Mrs. David DeShaffer of Pontiac were bridesmaids. Serving as junior bridesmaid was the groom's sister, Karen Manney.

THEIR DRESSES were fashioned with V-necklines front and back and uppressed pleats on the bouffant skirts. Yellow daisies were accented with green ribbon for their bouquets, and pale yellow crowns adorned with tiny rosebuds and featuring wide brims of tulle completed their ensembles.

Richard Perry came from Ann Arbor to be best man and guests were ushered by Garth Stanton of Birmingham, John Mott of Detroit and Stephen Fairbanks of Pontiac, the bride's brother.

Mrs. Fairbanks chose a sheath dress and matching bolero of toast colored silk linen with which she wore a white taffeta hat and candic-colored cymbidium orchids. White lace over pink chiffon and matching hat was the costume of the groom's mother. Her cymbidium orchids were white.

Among out of town guests was the bride's grandfather, Charles Fairbanks of Weston, Ohio, Mr. and Mrs. Raymond Schulte of Wadsworth, Ohio, the William Hilbrinks of Cleveland and Dr. and Mrs. Charles Koepke and Clifford Fairbanks from Toledo.

The pure spring water that brings out the full flavor and true character of coffee, tea and other beverages. Also recommended for beautiful cooking and for babies' formulas. Bottled on the spot at Silver Springs in Northville, Michigan. Request it at leading drug stores and supermarkets. Call TO 8-4735 for location of nearest dealer.

Nuptial High Mass Performed Sunday

Eleanor Bath and Charles Robison exchanged rings and vows Tuesday in a nuptial high mass in Holy Name church before Father Edmund Schwager.
 Scaallops of embroidered organza trimmed the bodice, short sleeves and hem of the bride's white organza floor length gown, which was styled with a peter pan collar and high waistline.

HER FRENCH illusion veil fell from a cap of the scalloped organza. She wore elbow-length gauntlets and carried a crescent-shaped arrangement of white carnations and ivy.

Susan Elizabeth Bath was her sister's only attendant. White eyelet organza over yellow taffeta fashioned her dress. It was designed with a scooped neckline, full skirt and sleeveless, and featured a yellow taffeta sash.

Completing her costume was a white heron-hair picture hat hatched in yellow and a bouquet of delphinium.

PARENTS of the newly weds are Mr. and Mrs. Edwin G. Bath of East Maple avenue, Birmingham, and the C. E. Robisons of Avon Lake, Ohio.

Mrs. Bath chose a powder blue peau de soie dress with blue necklaces and corsage of pale yellow carnations. White carnations and accessories complemented the pink gown worn by the groom's mother.

THE 200 GUESTS were seated by Dale Johnson and Richard Wigley of Oberlin, Ohio. David Robison came from Avon Lake to be his brother's best man.

While father should be pampered at this time, don't forget there are a good many other things needing your undivided attention, such as—

1. Time for your second application of lawn fertilizer. Use 1 lb. to 100 sq. ft. of AGRICO, GRO-SO or TRIPLE-X (10-6-1). Plan to do this again in late July.
2. We are going to apply 3 lbs. to 100 sq. ft. of AGRINITE (8-7-0-0). This is organic, will not burn and should continue to function until September.
3. Watch for CRABGRASS and if you can surely identify it, HIT it with CRAB-NOT or CRAB-NOT SPECIAL.
4. It is not too late to apply CHLORDANE to control CRABGRASS seeds which have not yet germinated.
5. Keep your grass at least 2" high.
6. Spray or dust hollyhocks and delphinium with sulphur or Bordeaux.
7. Still time to plant DAHLIA ROOTS.
8. Dust corn with NEUDUST—5% DDT.
9. Dust corn when it is a foot high, with DDT. Later, dust the ears.
10. Plant dandelion seeds now for an early crop of greens next Spring.
11. Tomato plants can be supported soon or allowed to sprawl on the ground. Trained plants bear first untrained plants bear a longer time.
12. Mulch flower beds as soon as dry weather comes. Weed and cultivate beds and then apply BUCKWHEAT HULLS or PEAT MOSS.
13. Prune deutzias, spirea, viburnum, weigelas, etc., as soon as blooms are finished.
14. Spray all trees and shrubs with DD-IIE or MALATHION for caterpillar control.
15. If Birch tree leaves show signs of leaf miner, spray with ISOTOX.
16. Potato beetles should be hit with DDT.
17. Cut worms can be controlled with 10% Chlordane.
18. Last year's Rotenone and Pyrethrum are no good.
