'Gold Cadillac' Has Luster At Will-O-Way

The gold-plated Coupe De Ville on display outside of Will-O-Way Playhouse during the two week showing of "The Solid Gold Cadillac" that opened Tuesday night, will reflect the luster of the 24-karat performer inside on the stage of Michigan's oldest "straw-hat" theatre.

"The" Bill Merrill, director of Will-O-Way, has taken all the necessary basic insurance, insured them in the proper proportions, and brought forth a palatable production that should whet the appetite of even the most critical theatre goer.

WITH BERTHA FORMAN of Birmingham, in her whimsical best, portrays the roll of the inquisitive minor stock holder "Mrs. Laura Harridge" William Smith is the frustrated, transplanted tycoon "McKever", suffering from "Washingtonitis".

Gerald Harrington, Robert Hyson, Paul Caplan and Sam Perry are the "four ugly men" who form the board of directors of "General products" and "Dunlop" and Janet Simpson are the love interest.

They virtually guarantee nightly audiences a rollicking joy ride in "The Solid Gold Cadillac", appearing nightly at Will-O-Way Playhouse through July 1.

Birthdays, anniversaries, guests, births, parties are all newsworthy to the society editor about them.
