There's no vacation like a FORD vacation
Thunderbird performance made it the world's largest-selling V-8

As you nudge the gas pedal, your Thunderbird V-8 engine takes over—fast! And it's merely a hint of the performance that makes Ford the best-selling eight in the world today!

What a performer your Ford is as you settle down for the long trip ahead! How much more relaxed you feel . . . with your deep-center steering wheel, those double-grip door latches, and the other Ford "Lifeguards" surrounding you and your family.

How much easier your Ford is to handle as it translates the miles into pleasant memories! Ball-Joint Suspension is quietly leveling the bumps . . . making even the smoothest roads smoother. And steering's up to 15% easier.

Ford's a star performer in the savings department, too. It doesn't take long to see why Ford won over all Class "A" Cars in the Mobilgas Economy Run.

And oh! What fun it is to arrive in the "kissin' cousin" of the Thunderbird! For those Thunderbird-inspired lines draw crowds everywhere you go. And they're lines that will stay in style, too! Why not recapture the fun of driving on your vacation . . . and all through the year! Put yourself in a new '56 Ford—the fine car at half the fine-car price.
