Mr. and Mrs. Lawton Tabors were hosts at a lawn party at their Devonshire home to an area group of American Field Service representatives; foreign students who attended high schools in the Detroit area this past year; their American brothers and sisters, along with students spending the summer as guests of European families. The evening was spent in games, dancing and harmonizing with a buffet being served later.

Susan Tabors sailed June 25 aboard the Arcoholm for Europe, landing in Bremerhaven. There she will board a plane for Helsinki, Finland to spend the summer with her adopted parents, Dr. and Mrs. Matti Lahnemi and daughter, Marjatta.

Because many Finnish families spend their summers at a lake, simply carrying their children, she too, will spend the greater part of her stay away from the busy metropolitan.

Margaret Davis, an exchange student from New Zealand, who has roomed with the Tabors this past year, graduated from Birmingham high school. She is returning to her home after a three week U.S. tour sailing home via Europe. Margaret will enter Durand teacher's college in New Zealand in the fall to train for a teaching profession in her homeland.

Tom Tabors is home to spend the summer with his parents after completing his sophomore year at Michigan State University.

Mr. and Mrs. Arthur Lane with Mr. and Mrs. Paul C. Grant of Birmingham are returning today after a motor trip to Mackinac Island where they attended a convention of the Michigan electric association.
