Officers for the year are Thomas F. Frazer, Craig drive, president; Cecil Moore, Norham road, vice president; William Schomacker, Eastmoor road, treasurer; Mrs. David Robertson, Cummaron drive, secretary.

The upkeep and development of the beach area, to make it more desirable, and rules for maintenance, were subjects under debate. No permanent damage was caused to work previously done by the inclement spring weather. The discussed plans have been maturing during the past week, when considerable fill was added to enlarge the beach, and a new parking lot was completed.

Mrs. Frank Howell, consulting rosarian of the Rose Society and vice president of the Northwestern Garden club, spoke to members of the Walnut Lake branch of the Women's National Farm and Gardens association Monday. At the meeting, held at the E. S. Maund Barramoon road, Mrs. Howell covered the different new varieties and old favorites, the painting and spraying for diseases and insects. Mrs. Kirk Patrick was tea hostess.

Various class reunions held at Albion college Saturday drew alumni back to renew old acquaintances, among them the Donald E. Huttons of East Dartmoor road in Bloomfield Farms. The couples were too busy to get more than a passing hello with daughter Nancy on that day, but returned to Albion with more representatives of the family group on Monday to see Nancy receive her diploma. The family car was well loaded on the return trip with the accumulations of four years of college mementoes.

Reginald Rice, son of Bill, also of East Dartmoor road, were among the fans at the Memorial Day races in Indianapolis. The "600" race is an event which this town seldom misses.

Marilyn Clark, daughter of the Howard G. Clarks of Dartmoor road, in the Braes, received a ribbon in the western pleasure class of the horse show held at the Ivory Polo Field, Madison, a Birmingham high school freshman, owns her own palomino, "Golden Boy."

This interesting family, formerly of Huntington Woods, each has a hobby. Mrs. Clark's being ceramics. Clark owner of the S. S. Clark company, industrial maintenance firm in Detroit, is busy in his off hours with his Christ-trail cabin cruiser. This he assembled himself and recently launched at the family's summer property at Harsen Island.

NEW RESIDENTS
New residents of the Braes are the Ralph E. Sturmers of Quanton road, from Derby road in Birmingham. Mrs. Sturmer, a former art teacher in Detroit, is busy at these days with young son Jamie. She is a member of the Birmingham Women Painters.
