From where I sit... by Joe Marsh
Do-It-Whose-Self?
Monk McCarthy's almost as good at publicity stunts as he is at servicing and repairing cars—which is pretty darned good. His latest gimmick is a hand-bill titled: "Do-It-Yourselfers! Why Not Grease Your Own Car?" Then he follows with two paragraphs about all the greases you'll need—the full set of wrenches, spray gun, grease gun, four jacks—the ability to work flat on your back with a face full of goo. And at the very end there's this line: "Or, if that's too much trouble, we'll do the job for 75¢."
