LEGAL NOTICES

TOWNSHIP OF BLOOMFIELD
OAKLAND COUNTY, MICHIGAN
ORDINANCE NO. 94

Adopted March 12, 1956

AN ORDINANCE TO PROVIDE FOR IMPROVING, ENLARGING AND EXTENDING WATER SYSTEM NO. 1 OF THE TOWNSHIP OF BLOOMFIELD, OAKLAND COUNTY, MICHIGAN; TO PROVIDE FOR THE ISSUANCE AND SALE OF REVENUE BONDS TO DEFRAY THE COSTS THEREOF; TO PROVIDE FOR THE RETIREMENT AND SECURITY OF SAID BONDS AND TO PROVIDE FOR OTHER MATTERS RELATED TO SAID SYSTEM AND SAID BONDS.

WHEREAS, pursuant to the provisions of Ordinance No. 32 of the ordinances of the Township of Bloomfield, the township has established a public utility for "Water District No. 1" in said township, which district system are described in Sections 1 and 2, respectively, of said ordinance, which ordinances are incorporated herein by reference; and

WHEREAS, it is desirable and necessary to improve, enlarge and extend the said Water System No. 1; and

THEREFORE THE TOWNSHIP OF BLOOMFIELD, OAKLAND COUNTY, MICHIGAN, ORDAINS:

Section 1. Whenever used in this ordinance, the bonds to be issued hereunder, except when otherwise indicated by the context, shall:

(a) The term "township" shall be construed to mean the Township of Bloomfield.

(b) The term "township board" shall be construed to mean the township board of said township, the legislative and governing body thereof.

(c) The term "project" shall be construed to include improvements, enlargements and extensions to be acquired, constructed, installed and/or purchased.

(d) The term "acquired" shall be construed to include acquisition by purchase, construction or by any other method.

(e) The term "water system No. 1", shall be construed to include all plants, works, property and facilities owned (as the same shall from time to time exist) by the township and hereafter used for the obtaining of a water supply, the treatment of water and the conservation of water, by the township for said Water District No. 1.

(f) The term "system" shall be deemed to refer to said Water System No. 1.

(g) The term "district" shall be deemed to refer to Water District No. 1.

(h) The term "revenues" and "net revenues" shall be construed as defined in Section 1 of Act No. 94, Michigan Public Acts of 1933, as now amended, which Act the township board hereby determines it to be advisable and necessary to operate under and which is the said Water System No. 1 by acquiring the following:

2 additional wells with pumping stations;

A 1,000,000 gallon water reservoir with pumping station;

Feeder mains, well and reservoir site, on West Maple Rd. from Tuckhoe Lane to Kings Creek Drive and Maple Rd. near Cranbrook Rd., and from well and reservoir site to the intersection of Maple Rd. and Lone Hamilton;

Electric control lines between the several wells and the existing elevated tank and the aforementioned well, and other appurtenances

all substantially in accordance with maps, plans and specifications prepared by Hubbell, Roth and Clark, Inc., engineers, professional engineers, which maps, plans and specifications are now on file with the township clerk and are hereby referred to and incorporated herein.

Section 3. The township board does hereby adopt the said engineers' estimate of the cost of said project, and as the period of usefulness of said project will be forty (40) years, estimates of $270,000 as the cost of said project, including bond discount, expenses and bonds herein authorized therefor, both of which estimates are on file with the Township Clerk.

Section 4. There are hereby authorised to be issued, in accordance with the provisions of Act No. 94, Michigan Public Acts of 1933, as amended, revenue bonds in the aggregate principal sum of Two Hundred Seventy Thousand Dollars ($270,000.00) for the purpose of paying the cost of the said project. Said bonds shall be known as "Water System No. 1 Revenue Bonds"; shall be dated as of May 1, 1956; shall be numbered consecutively in the direct order of their maturities from 1 to 270, both inclusive; shall be in the denomination of $1,000 each; shall be registerable as to principal and interest; shall be hereinafter set forth in the bond form; shall bear interest at a rate or rates to be hereafter determined not exceeding six (6) per cent per annum, payable on the first days of April and October in each year; and shall become payable as to principal each year as follows: $10,000 in each of the years 1958 thru 1964, $15,000 in each of the years 1967 thru 1974 and $20,000 in each of the years 1975 thru 1977. The bonds of said issue maturing on and after April 1, 1960 shall be subject to redemption prior to maturity, at the option of the township, in inverse numerical order, on any one or more interest payment dates on and after April 1, 1959; provided, that no bonds less than the entire issue then outstanding, shall be called for redemption at any time prior to April 1, 1966. Bonds shall be called for redemption only if they shall be redeemed at the par value thereof and accrued interest, plus a premium as follows, according to the bond call schedule, to-wit:

$30 if called to be redeemed on or after April 1, 1959 but prior to April 1, 1960;

$30 if called to be redeemed on or after April 1, 1966 but prior to April 1, 1968;

$20 if called to be redeemed on or after April 1, 1968 but prior to April 1, 1970

$15 if called to be redeemed on or after April 1, 1970 but prior to April 1, 1972;

$10 if called to be redeemed on or after April 1, 1972 but prior to April 1, 1974;

$5 if called to be redeemed on or after April 1, 1974.

Notice of redemption shall be given to the holders of the bonds to be redeemed by publication of such notice once in a newspaper or publication circulating in the City of Detroit, which carries as a part of its regular service, notices of the sale of municipal bonds; provided, that where any bond shall be registered, notice of such bond redemption thereof shall be given by mailing a copy of such redemption notice to the registered holder thereof at the address shown on the township clerk's bond registration books, which notice shall be mailed not less than thirty (30) days prior to the date fixed for redemption. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem the same.

The principal of said bonds and the interest thereon shall be payable in the lawful money of the United States of America at such bank or trust company as shall be designated by the original purchasers of the bonds, upon presentation and surrender of said bonds and attached coupons as they severally become due.

Section 5. The Supervisor and township clerk shall execute said bonds and on behalf of the township and the township clerk shall affix the seal of the township thereto. The said Supervisor and township clerk shall execute said bonds and attached coupons by causing said bonds by causing to be affixed thereto their facsimile signatures. The Treasurer of the township shall deliver said bonds and attached coupons to the purchaser thereof as hereafter determined by the township board, upon payment of the purchase price therefor.

Section 6. The bonds herein authorized shall be sold in the manner provided in Section 12 of Act No. 94, Michigan Public Acts of 1933, as amended.

Section 7. Said bonds and attached coupons shall not be a general obligation of the township and shall not be an indebtedness of the township within any state constitutional provision or statutory limitation. The principal of and interest on said bonds shall be payable solely from the net revenues derived from the operation of the said system, including future improvements, enlargements and extensions thereof. To the payment of the principal of and interest on the bonds issued hereunder and any additional bonds of equal standing issued as hereinafter provided, there is hereby pledged a first lien and charge upon the net revenues of the said system, and the holders of said bonds and the interest coupons appertaining thereto, and the holders of such bonds, a first lien (by said Act No. 94, Michigan Public Acts of 1933, as amended) upon the said net revenues from the said system, including future improvements, enlargements and extensions thereof. The township hereby irrevocably pledges and shall remain subject to said lien until the payment in full of the principal of and interest on said bonds.

Section 8. The holder or holders of any of said bonds or interest coupons herein authorized to be issued, shall have all the rights granted thereto by law or by law and particularly by said Act No. 94, Michigan Public Acts of 1933, as amended, for the collection and enforcement of said bonds and coupons and the payment thereof, including the right to have a receiver appointed for the said system, pending the suit, on behalf of the township in the performance of the terms of the bond contract.

Section 9. The system shall be operated upon the basis of a fiscal year beginning on the first day of each year and ending on March thirty-first of the following year.

Section 10. The operation, maintenance and management of the system shall be under the immediate supervision and control of the township board or of such officer or board as shall be designated or created by the township board and subject to its control.

Section 11. Except as herein otherwise provided, water to be furnished by the system to each premises shall be measured by a meter controlled by the township. Hereafter all meters shall be installed and serviced by the township at the expense of the property owner. Charges for water service to each premises within Water District No. 1 connected with the system, for each quarterly (3 months) period, shall be as follows:

Charges for water service to premises outside said district shall be fixed by the township board, but shall be not less than double the above rates.

The township shall pay for all water used by it at the foregoing rates, except that no charge shall be made for water used by the Fire Department.

All water rates or charges for any service furnished by the system shall be subject to change and readjustment by the township board. Such rates shall be sufficient to provide for the payment of the cost of water service connections from the water mains to the premises within Water District No. 1, and for the cost of water meters installed in connection therewith, and shall be sufficient to provide for the payment of the cost of operation and maintenance of the system, and the payment of the principal of and interest on the bonds herein authorized, and any additional bonds of equal standing issued as hereinafter provided, as the same shall become due and payable, and to provide a reasonable surplus as a margin of safety for the protection of the bondholders. Said rates shall be sufficient to provide for the payment of the said bonds and interest thereon, and all payments required by this ordinance, and to provide for such other expenditures and funds for the said system as may be required by this ordinance. Rates shall be fixed and revised from time to time as may be necessary to produce sufficient revenues to meet the foregoing requirements. The township board shall have the right to increase the rates for water from time to time as in its judgment may be necessary to produce sufficient revenues to meet the foregoing requirements. The township board shall have the right to increase the rates for water from time to time as in its judgment may be necessary to produce sufficient revenues to meet the foregoing requirements. Said rates shall be sufficient to provide for the payment of the interest upon and the principal of all bonds payable therefrom, as and when the same shall become due and payable, and for the creation of a reserve for the payment of principal and interest required in this ordinance; and to provide for such depreciation charges on the value of the system as are required by this ordinance. Said rates shall be fixed and revised from time to time by the township board so as to produce the foregoing amounts. The township board covenants and agrees to maintain at all times rates sufficient to meet the requirements of this section. Notice is hereby given to the public that the bonds herein authorized to be issued shall be secured by a pledge of the revenues derived from the operation of the said system as shall be sufficient to meet the requirements of this section.

Section 12. No free service shall be furnished by the system to the township, or to the public, firm or corporation, public or private, or to any public agency or instrumentality. The rates or services furnished by the system shall be subject to the approval of the township board. Such rates shall be sufficient to provide for the payment of the cost of water service connections from the water mains to the premises within Water District No. 1, and for the cost of water meters installed in connection therewith, and shall be sufficient to provide for the payment of the cost of operation and maintenance of the system, and the payment of the principal of and interest on the bonds herein authorized, and any additional bonds of equal standing issued as hereinafter provided, as the same shall become due and payable, and to provide a reasonable surplus as a margin of safety for the protection of the bondholders. Said rates shall be sufficient to provide for the payment of the said bonds and interest thereon, and all payments required by this ordinance, and to provide for such other expenditures and funds for the said system as may be required by this ordinance. Rates shall be fixed and revised from time to time as may be necessary to produce sufficient revenues to meet the foregoing requirements. The township board shall have the right to increase the rates for water from time to time as in its judgment may be necessary to produce sufficient revenues to meet the foregoing requirements. The township board covenants and agrees to maintain at all times rates sufficient to meet the requirements of this section. Notice is hereby given to the public that the bonds herein authorized to be issued shall be secured by a pledge of the revenues derived from the operation of the said system as shall be sufficient to meet the requirements of this section.

Section 13. The revenues of the system are hereby pledged for the purpose of the following funds, and as collected shall be set aside into a fund to be known as the "Operation and Maintenance Fund" of the system, and shall be transferred from periodically since separate and special funds, as follows:

1. Operation and Maintenance Fund. Out of the revenues of the Operation and Maintenance Fund, there shall be first set aside in each quarterly period into a fund to be designated "Operation and Maintenance Fund," such sum as will provide for the payment for the next succeeding quarter of all current expenses of administration and operation of the system and such current expenses for the maintenance thereof as may be necessary to preserve the system in good repair and working order, and such sum as the township board may deem necessary for a reserve for the payment of current expenses during the succeeding fiscal year, and such expenses shall not exceed the amount of principal maturing and interest payable during the following year, except by a vote of 2/3 of the members of the township board as may be necessity thereof.

2. Bond and Interest Redemption Fund. Out of the remaining revenues in the Operation and Maintenance Fund, there shall be first set aside in each quarterly period into a fund to be designated "Bond and Interest Redemption Fund," such sum as will be sufficient to provide for the payment as the same shall become due of the next maturing principal and interest on the bonds herein authorized, and from the revenues of the system; provided, that the amount so set aside for interest on the bonds herein authorized in each quarter during the first six (6) months in which interest is payable shall be less than one-half (½) of the total amount of interest maturing on the following October first, and during the last six months in each fiscal year, shall be not less than one-half (½) of the total amount of interest maturing on the following April first, and during the first six months in each fiscal year, the amount so set aside for principal on the bonds herein authorized in each quarter during each fiscal year, shall be not less than one-fourth (¼) of the amount of principal maturing on the April first of the year following such fiscal year, and if there shall be any deficiency in the amounts previously set aside, then the amount of such deficiency shall be added to the current requirement, in addition to the amount herein set aside to be set aside in quarterly installments for such fiscal year. Whenever any of the said Bond and Interest Redemption Fund, shall be less than the amount herein authorized, a sum sufficient to make up such deficiency shall be set aside during each fiscal year commencing with that next following the fiscal year in which a deficiency occurred, and such sum shall be added to the current requirement, in addition to the amount herein set aside in quarterly installments for such fiscal year. Whenever any of the said Bond and Interest Redemption Fund, shall be less than the amount herein authorized, a sum sufficient to make up such deficiency shall be set aside during each fiscal year commencing with that next following the fiscal year in which a deficiency occurred, and such sum shall be added to the current requirement, in addition to the amount herein set aside in quarterly installments for such fiscal year. If there shall be any deficiency in the amount previously set aside, then the amount of such deficiency shall be added to the current requirement, in addition to the amount herein set aside in quarterly installments for such fiscal year. Whenever any of the said Bond and Interest Redemption Fund, shall be less than $20,000, then there shall be set aside in said reserve quarterly a sum sufficient to make up such deficiency in a sum sufficient to make up such deficiency serve to $20,000 at the earliest possible time. Any additional bonds of equal standing shall be issued, the authorizing bond ordinance shall provide for the payment into said reserve account of such proportionate amount of the principal amount of such additional bonds, as may be used from said reserve. Money in said Bond and Interest Redemption Fund may be used for the redemption of bonds payable therefrom, and for no other purpose, but that except in case of refunding, no bonds shall be called for redemption unless sufficient funds are on hand in said fund to pay the bonds so called and otherwise appropriated or pledged, in addition to the amount of interest and principal maturing within the next eighteen (18) months from the redemption date set for the purpose of determining the amount on hand, moneys in said fund may be used to purchase bonds on the open market at not more than the prices obtainable, but not in excess of the redemption prices then applicable to the principal amount owing upon any bonds then outstanding, and the amount in said reserve therefor, then the principal of such bonds shall be paid from such reserve.

3. Replacement Fund. Out of the remaining revenues in the Bond and Interest Redemption Fund, there shall be next set aside in each quarterly period into a fund to be designated "Replacement Fund," such sum as will be sufficient to provide commencing with the fiscal year beginning April 1, 1957, until such fund shall reach at least $10,000, a reserve for any replacements to the system which may become necessary from time to time. Whenever moneys shall be used from said fund to make such replacements, said fund shall be restored to the sum of $10,000 as soon as possible thereafter.

4. Improvement Fund. Out of the remaining revenues in the Replacement Fund, there may be set aside in any quarterly period, after meeting the requirements for the foregoing funds for such period, in a fund to be designated "Improvement Fund", such sum as the township board may deem advisable, to be used for improvements, enlargements, extensions and repairs to the system.

5. Surplus Fund. Revenues in excess ($270,000) issued by said Township of Bloomfield under and pursuant to and in full conformity with the provisions and statutes of the State of Michigan (especially Act No. 94, Michigan Public Acts of 1933, as amended), and Ordinance No. 94 duly adopted by the Township Board of said township on the ..... day of ....., 195..., for the purpose of defraying the cost of improving and enlarging and extending Water System No. 1, shall be paid into a surplus fund.

This bond is a self-liquidating revenue bond, is not a general obligation of said township, and does not constitute an indebtedness of the said township within any const
