Girl Scout week is being observed March 11 through 17 and almost 11,000 girls and 4,000 adult members of South Oakland Girl Scout Council are celebrating the 44th birthday of Girl Scouting in America.

This year's theme "America" is that of the Senior Round-up for senior girl scouts which will be held at Highland Recreation area June 29 through July 11 for over 5,000 Senior Girl Scouts. Brownies, Intermediate and Seniors have been making exhaustive studies of local history to prepare their exhibits and sketches depicting American History and folk lore.

The GIRL SCOUT movement was founded in America by Juliette Gordon Low at Savannah, Ga., March 12, 1912. From one troop in that year the Girl Scout organization has grown to two and a half million girls with over 600,000 men and women volunteers serving as leaders and advisors.

The Girl Scout promise and laws are the driving force behind the purpose of Girl Scouting which is to help girls realize their responsibilities in the home and as active citizens in the community and world.

Today, scouting offers girls from 7 to 17 years of age activities in many fields including agriculture, arts, community service, international friendship, homemak-
