

Teachers

(Continued from Page 1, Sec. 1)
ican tour is under the leader and specialists program of the Department of State's educational exchange program.

Asked how discipline is enforced in German schools, Dr. Crum said little disciplining is necessary there.

"IN MOST CASES," he said, "the discipline is within the child. Parental authority still is very strict."

Germans do not have as many popular books on psychology as we have, Bateman added.

Said Bateman, "Many of our child psychology books here have been misinterpreted by parents to mean that they should never punish their children."

RAYMOND PERRING

Ray Perring Named Edison Co. Director

Raymond T. Perring, president of The Detroit Bank, has been elected a director of The Edison Company.

He will fill a vacancy on the board created by the resignation of Russell W. Symes, who is retiring as a director after a 50-year association with the company, first as an employee and executive and later as a member of the board.

Perring, 50, a native Detroit, attended Wayne University and the University of Michigan.

He lives on Yarrowhough road, Bloomfield Hills.

HE JOINED The Detroit Bank in 1927 and became credit manager in 1931, assistant president in 1933, and executive vice president in 1951. Since 1952, he has served as president and director of the bank.

A board member of several industrial and financial concerns, Perring also is active in civic affairs.

He has headed the Detroit chapter of the American Red Cross and served on boards and committees of various groups including Junior Achievement, Goodwill Industries, and other organizations.

LATER THAT evening, Dr. Crum visited a PTA Learning at Barnum junior high school.

"He got a lot of ideas from Matthew, now a teacher in Ferndale."

Here's hoping Dr. Crum found informational ammunition there, to help him in the thousand-hour battle against the false impression of America's "blackboard jungles."

Paper Collection Set for Saturday By B'ham Hi-Ys

To raise money for their service projects, 20 to 25 Birmingham high school Hi-Y members Saturday will collect old newspapers and magazines.

With the aid of a pick-up truck loaned by a local auto dealer, the boys plan to ring Birmingham area doorbells from 9:30 a.m. to 5:30 p.m.

Russ Richardson, club treasurer, is head of the committee arranging the drive.

CAMPAIGN HEADQUARTERS will be at his home at 1257 Chestnut, and Bob Beardsley, 1777 Melbourne, also will set up collection headquarters at his residence.

Among service projects for the group is giving parties for youngsters at the Baptist children's home, 15 Mile and Southfield.

DURING the current drive for AFS funds to bring foreign exchange student to Birmingham high school next year, the club contributed \$10.

Next service, YMCA overseas branch providing youth education and recreational centers around the world, will receive 25 percent of today's Hi-Y paper drive.

Dick Brown is Hi-Y president, Jim Bender is vice president, and Morris Baker, secretary. Club faculty advisor is Julian Clayton.

Race

(Continued from Page 1, Sec. 1)
Broomfield, 34, is completing his first term in the State Senate from the 12th district—Oakland County.

He served six years in the State House of Representatives, previous to his election as state senator.

HE WAS the youngest man to serve as a speaker pro-tem.

His legislative record includes the introduction and fight for bills which have increased workmen's compensation, unemployment benefits, state aid for mentally retarded children and crippled children, a \$100 million loan to distressed school districts, higher pay for teachers.

He has sponsored legislation for improved water and sewage facilities, state-wide and authored the famed Broomfield "ice box" law which helps to protect children from dangers of suffocation in abandoned refrigerators.

Broomfield, an insurance agent, lives in Royal Oak (his birthplace), at 1116 S. Lafayette, with his wife, Jane, and their two daughters. He is a World War II veteran.

Higgins' nominating petitions were filed Tuesday with the county clerk.

Paul Sutton of Royal Oak, 1954 Democratic standard bearer, also formally announced his candidacy for his party's nomination. Sutton ran only 3 1/2 per cent behind Donners in the voting two years ago.

Chef De Gonias Now At The Wine Shop

"Out Where the Trade Winds Play"

Not only a hauntingly beautiful song, but also a lyrical description of the age-old search for rare spices. Woven through the threads of the tapestry of history are the names of great explorers—Marco Polo, Ghenghis Khan, Columbus, all of whom were motivated by a great desire to find new spices to tempt appetites and to bring to food rare new taste treats. The very foundation of all of today's great international trade was started by the desire for spices.

De Gonias of California and the Wine Shop of Birmingham bring spices from the market places of the world, packaged in a replica of the oia (oia) shaped jar, highly developed in glass cases. The jars contain only the finest flavored spices and herbs. There is no substitute for quality and the user is asked—yep, cautioned, to use less.

Gets Probation

John F. Maddock, 37, of 30000 Southfield, Southfield to w n s h i p, was placed on two years' probation and fined \$200 costs last week by Oakland county circuit judge Clark J. Adams after pleading guilty to a charge of attempting to procure the commission of an act of gross indecency. Maddock was arrested February 27 at the Birmingham bus station.

This & That

(Continued from Page 1, Sec. 1)
phase of government is a mere myth. He is unwavering in his loyalty to what he believes to be right today, but if it does not look right tomorrow, he'll smash it beneath forceful and withering words and phrases.

BLACK'S recent critical utterance concerning the Michigan Supreme Court is, no doubt, but one of many he will make during his eight years on that bench.

Many Michigan citizens, including lawyers, will agree with him. Many will not. So far as opposition goes, Justice Black will inform you that he thrives on it.

Whether you agree or disagree, he'll have to admit that the Port Huron lawyer revealed a type of courage that makes news.

As I said last April 21 in this column, he is HEAVY (Black is very able with the King's English) expect some new arrangements of the alphabet. Colorful, alluring, forensic idioms, some color-name, actually, connotes no part of the spectrum."

New YMCA Building To Be Discussed By Committee

Members of the Birmingham YMCA committee of management will hold their monthly meeting Monday at the Y at 8 p.m.

Chairman William C. Gordon will call upon William Robert to clarify the status of the proposed new YMCA building.

The Y permanent building committee is anxious to notify members and friends about progress being made with the metropolitan Detroit building fund, and to set dates for the start of its building program.

Topographical survey, a proposed building model and preliminary plans, a survey of area needs and other preliminary work have been completed by the committee.
