MRS. WALLACE E. MITCHELL

'Something Old' Accents Lace, Net Bridal Gown

A bit of ivory satin and lace from her maternal grandmother's wedding dress accented Priscilla Ann Fielding's bridal attire when she became the bride of Lt. Wallace Ewart Mitchell March 3. Vows were exchanged at 3 p.m. in the First Methodist church, Palo Alto, Calif.

Her gown was of white lace and net over satin with a seed pearl crown and waist length veil. She carried white carnations and hyacinths centered with a white orchid. Priscilla is the daughter of Mr. and Mrs. Henry A. Fielding of Arcadia, Calif., formerly of Birmingham. Mr. and Mrs. S. Ewart Mitchell of Ukiah, Calif., are the parents of the groom.

CAROL MITCHELL, sister of the groom, was the only attendant and wore pink organza over taffeta. Her hat was of matching net and her shoes pink. She carried white carnations and orchid hyacinths. Donald E. Mitchell was his brother's best man. Seating the guests were Robert Henry Fielding and John Edward Fielding, brothers of the bride, Robert Street and Dan Dranberger.

FOR HER daughter's wedding and reception at Bowman Alumni house, Stanford university, Mrs. Fielding wore mauve silk lace over taffeta with a bolero jacket and pink roses. Mrs. Mitchell chose aqua silk with matching long coat and yellow roses. After two days at Carmel, Calif., the couple drove to Dayton, Ohio. They will make their home at Wright Patterson Air Base until the end of May.

Benton Harbor's municipal fruit market, influences midwest fruit prices. It annually handles over 7 million packages valued at more than \$5,000,000 and ships to 567 cities in 28 states.

85% of the Dirt In Your Home Is Buried In Your Rugs!

Yes, that's what a leading vacuum manufacturer has stated. You wouldn't think of letting your kitchen or bath room floors go for years without washing, yet your carpets get just as dirty and they hold the dirt more so because of the depth of the pile, than smooth surfaces would. All authorities agree that rugs should be swept and vacuumed regularly and thoroughly cleaned professionally at least once a year. Why not send them to Crescent? Crescent has all the latest methods and equipment. We recently added the miracle of Electronics to our drying facilities to give you fast service and softer, leveler rugs. All you have to do is call LI 2-3552 to find out how inexpensive it is to have beautiful carpets. For a free copy of "Tips", the guide on what to do in case of an accident, call or write.
