Suit Over Building Permit Is Dropped

BERKSHIRES — A suit by Joseph Palf against Bloomfield Township Supervisor David E. Anderson was dropped this week when township officials decided that they had no grounds on which to withhold a building permit.

Palf plans to build on lot 33 of Berkshire Forest subdivision on the northeast corner of Orchard Lane and 14 Mile road.

According to Charles Shull, Berkshire's Association president, the lot has been divided against deed restrictions and that one home is already built upon the lot. It will be up to neighboring property owners to carry the fight to the courts, Shull said.

Confer on Zoning

BINGHAM FARMS — William King, village president, said he would call a special meeting between members of the council and the planning commission in the near future to iron out differences in the proposed zoning ordinance. He hopes the zone law will be ready for public airing within 30 days.
