PAL AND POOCHIE

They belong to a little girl. And she loves them both. But, although she is only a tot, she understands the difference between Pal and Poochie.

Poochie is just her "doggie dollie." She can talk to him, and pat him, and cuddle him at night in her crib. But she has to pretend that he loves her too!

Pal is her "bow-wow." He answers words and caresses with his eyes and his bark and his wagging tail. He follows her, he snuggles up to her. His love is just as real as his funny cold nose.

Poochie will one day retire to the attic. But Pal will be her pal for all of his faithful life.

Brings home, does it not, the importance of responding to love? The love which inspires man's faithfulness is God's love. The Response is our Christian worship and life.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
