Ted's Restaurant Expansion Adds Space and Facilities
One of the area's familiar eating spots, Ted's restaurant and drive-in, located at the corner of Woodward and Square Lake Road. New facilities include enlarged dining area, private banquet room and separate kitchen section for curb service patrons. Sid's has been at the same corner for over 18-years and has continually expanded to meet the needs of the Birmingham and surrounding residents. Increased parking area is another of the drive-in's improvements.

TED'S RESTAURANT is open until one a.m. during the week and until three a.m. Fridays and Saturdays.
The new kitchen section was specially designed to service all drive-in and carry-out patrons with maximum speed and efficiency. Future plans are to install the newest tele-tray into the kitchen for curb service customers.
Along with the many improvements made during the last six months, an increased and well-trained staff has been assembled by the management to give prompt and courteous service, said Mrs. Eileen Ector, office manager.
Lighting and redwood paneling add to the over-all effect.
