Residents Eat Their Fill of Clams Hunt Buried Treasure, Then Dance

Tremendous interest was aroused as passers-by in Meadow Lake Farms subdivision noted a large tent being erected on the island at the north end of the lake. Curiosity intensified when it was discovered the canopy covered a cement platform. Residents were excited and anxious to learn its purpose. This was revealed Saturday evening when the first of what is hoped will become an annual event—a clam bake. The cement platform carefully protected by the canopy was a dance floor.

After nearly 100 people, residents of the area and friends, had their fill of clams, they were divided into teams and informed that a treasure had been buried. Clues were provided and the hunt began. When everyone returned the portable hi-fi supplied music for dancing the remainder of the evening.
