2 Lost and Found

FOUND, BOY'S LEATHER JACKET AT Poppleton Field after Little League try-out April 21st. Owner may have by identifying the jacket and paying for this ad. MI 4-4667.

FEMALE DOG, OF DOUBTFUL AN-cestry. It's a long story, but while we were on vacation our black Scotty-type terrier dog Whitie by name was "lost". She had been placed in a kennel to be on March 22 and mistakenly delivered on, or about March 23, to another dog owner in this area. Shortly thereafter she ran away from the strange setting. Upon our return last week we learned of the mix-up and subsequent disappearance. Whitie is a wonderful watch-dog, with a cocker build but wire-haired like a Scotty. White spot on chest with tail showing initial tinges of graying. Bushy muzzle and eye brows. Short tail. We hope someone knows where she is. Please phone Midwest 4-0509.
