### Mercy League to Hold Dinner Party Saturday

Members of the Mercy League of Oakland County are combining their charitable activities with social pleasure next Saturday evening when they will be giving a donation dinner party in the home of Mr. and Mrs. Judge Bearden of Glenhurst road.

Proceeds will benefit many needy people. Committee members for the party are Mrs. Judge Bearden, Mrs. Thomas Bolton, Mrs. Kenneth Dickinson, Mrs. William J. Riley, Mrs. Paul Hymans, Mrs. Richard Connell and Mrs. James Moore. Some 75 couples are planning to attend the affair.

The R. C. Schrey of Hamilton road has sold their home and plan to leave for Seattle, Wash., with their family about the middle of June. The Schreys, touring by car to their destination, plan sight-seeing in Yellowstone and other places of interest along the way. The Schrey children are all eager to catch a glimpse of their new Seattle home overlooking Puget Sound.

Mr. and Mrs. Neil W. Hyde entertained a group of friends in their Tibury home on Saturday evening. Guests were Mrs. Beth Richardson, Mr. and Mrs. Dan Fisher, Mr. and Mrs. Jamie Martin, Mr. and Mrs. Forest Hubert, Mr. and Mrs. James Johnson, and Mr. and Mrs. Arthur Rutenbaugh.

Mr. and Mrs. Robert A. Reid of Tibury road traveled with their family to the Pere Marquette club last weekend for the opening of the trout season.

M. F. Garwood of Williamsbury road and friend Dr. Richard Flynn of the University of Michigan, were among those who tried their luck trout fishing on the Pine river last weekend.

The Garwoods were thrilled when they were able to contact their daughter and son-in-law, Robert Baker, by radio-telephone recently. Bob and his young bride are in Alaska where Bob is stationed with the army, and it is most difficult to get a phone connection through to the States. Such a teller her parents that she now has her short-wave radio license and is able to keep up with the outside world news through this medium. The best news yet is that they will be headed home after June 8 when Bob will be discharged.

While spring finds many villagers anxious for spring weather there are those who travel elsewhere to seek it. Mr. and Mrs. Wayne A. Andrae of Half Moon road are on a three week trip that will take them to Portland, Ore. and Palm Springs, Calif., before they return home.

Mr. and Mrs. Edward Adams Jr. of Tibury road are touring Europe on a combined business and pleasure trip, as are Mr. and Mrs. Morgan Collins, Jr. of Waddington road.
