

# Newlywed Kelleys On Florida Honeymoon

MRS. DAVID P. KELLEY

Carole Ann Werthmann became the bride of David Patrick Kelley Saturday at noon in St. Hugo-of-the-Hills church, Bloomfield Hills.

The bride, daughter of Mr. and Mrs. Roy J. Werthmann of Bloomfield Heights, wore a gown of white chantilly lace over silk taffeta featuring a satin Peter Pan collar accented by a satin bow.

The dress was styled with short sleeves and a chapel train and a headpiece of matching lace secured the double tiered illusion veil. Stephanotis and ivy surrounded a white orchid in the bridal bouquet.

Father Francis Stack presided the nuptial mass in the presence of 150 guests.

A sister of the groom, Cynthia Kelley of Grand Rapids, was maid of honor, and a sister-in-law, Mrs. Roger Kelley, and Nancy Sayre, both of Detroit, were bridesmaids. Groomed identically, in white length white nylon over mist blue taffeta, the attendants carried arrangements of white daisies.

Best man was Philip E. Kelley of Grand Rapids and Allan Werthmann of Bloomfield Heights, O. William Lowry of Grand Rapids and William Jenick and Peter Vandomelen of Holland ushered guests.

MR. AND MRS. HARRY J. KELLEY of Grand Rapids are parents of the groom. Mrs. Kelley chose a blue raw silk street length dress for her son's wedding. White roses adorned her purse.

Mrs. Werthmann pinned a white orchid to her pink lace ensemble.

Carole and David left a breakfast reception at Rotunda Inn for a trip to Florida. The bride's traveling costume was a beige dress and linen coat with beige and white accessories.

# Quincy Joins Naval Reserves

Quincy Monroe Crater II, son of Mrs. Rubye Crater McConkie of West Lincoln, Birmingham, and New York, R. I., for a class student at Maskingum college, New Concord, Ohio, recently was named as an officer candidate in the United States Naval Reserve.

He is now on inactive duty with orders to report to the US Naval school command, Naval Station, Newport, R. I., for a class convening June 18.

Upon satisfactory completion of four months indoctrination, he will be appointed ensign in the reserves and will serve three years active duty.

You will find many bargains in The Eccentric Classified Columns.

# SCIENTIFIC LAWN CULTURE

## Lawn Feeding • Weed and Crab Grass Control

EVERY HOME OWNER wants a lush green, pest free lawn, and now everyone may have the lawn of their dreams by availing themselves of the professional service of "FERTILIZE-BLOOMFIELD LAWN CULTURE," specialist in the art of growing beautiful lawns, shrubbery, flowers, etc.

OUR METHOD of foliar feeding is the most effective method known for feeding growing plants. Our "FERTILIZE" N.C.L. (Nature's crop insurance) 14 element mineral plant food carries the stamp of approval of the late LOUIS BROMFIELD and other leading agronomists throughout the country. There is no guesswork in "FERTILIRRIGATION," the fertilized moisture is absorbed quickly by the foliage and carried to the roots in the exact nutrient content as required by the plant and soluble form plants may be fed throughout the entire growing season in the hottest weather when ample feeding is needed most, without danger of chemical burns.

WEEDS, CRAB GRASS and INSECTS are no longer a problem, our method of control assures you a completely pest free lawn all season long, and is safely applied with the fertilizer applications to save you money, time and annoyance, as well as saving your lawn and at the same time providing you the lush green healthy lawn you have always longed for.

This method of lawn culture is by no means a pipe dream of an amateur gardener, it is the result of years of research and approval by some of the nation's leading agronomists, horticulturists and turf experts, and is being operated on a national scale under the joint sponsorship of GARDEN RESEARCH LABORATORIES of New York, and NUTRITIONAL CONCENTRATES, INC., New Lexington, Ohio.

No matter if your lawn is large or small, all will receive the same expert care and consideration. Call us for free estimates, you are under no obligation. You'll be amazed at the low cost of our all-around service, and astonished at the satisfactory results.

PENNY BALL . . . at the piano

# Presented in Recital

Penny Ball, 11, a pupil of Mark Wessel, was presented in her second piano recital Sunday afternoon in the home of her parents, Mr. and Mrs. Laurence M. Ball, on Chestersfield road, Birmingham.

Her program included selections by Bach, Beethoven, Brahms, Chopin, Tcherenine and Debussy.

Penny and her sister, Patti, rendered a number titled "The Lake" by Mr. Wessel.

A Birmingham high school freshman, Penny gave her first recital four years ago as a student of Phyllis Stanford.

# When it purrs, you reign

YOU CAN hardly hear its whispered might—but man, you sure can feel it.

It's power almost without limit—power that humbles the hills, melts the miles, makes you monarch of all you survey.

For this is a new Buick—a '56 Buick—sparked by the most potent engine in Buick annals—a 322-cubic-inch V8 with a crackling high compression of 9.5 to 1.

But what makes you feel even more like bossman of the highway is the great new advance in Variable Pitch Dynaflo.\*

First time you tickle the gas pedal you'll know what we mean.

Now—smack in the top inch of gas pedal travel—right where you save gas every turn of the wheels—you get a swift, sure and supremely positive new getaway response in an instant.

For smooth and nimble performance—for sheer mastery in traffic—nothing like it ever was.

And that's just part of it. When you need a still greater flow of get-up-and-go for safety's sake, you merely switch the pitch and you zoom out of tight spots.

So come rule the roost in this '56 Buick.

Come drive a car with 127 gorgeous inches of wheelbase to give it regal room and a ride that's fit for a king.

Try out Buick's new steering—new center-geared brakes—new direct-acting shock absorbers with triple the former volume of polymer-cushioning oil.

Learn how it feels to boss a car that looks like royalty and acts the part to perfection.

We promise—you'll practically purr with delight at the wheel of this dazzler—especially when you discover how easily you can make it what you own.

What do you say—shall we expect you today?

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Buickmaster, Super and Century—optional at modest extra cost on the Special.
