From where I sit... by Joe Marsh

## More Than She "Bargained" For

Dad Baker retired from active dairying—seven or eight years ago—but still keeps a half-dozen pure-breds more or less as a hobby. Dad goes all-out for these six. Temperature-controlled barn, expensive feed... the works. As a result his milk has a low bacteria count, a high butterfat content. And as a favor to neighbors, he sells it just two cents above the ordinary price. Recently, a neighbor complained "asked if he couldn't get the milk 'at cost.'" Dad agreed,

sent her a bill for exactly what the milk cost: 15¢ a quart. From where I sit, it's easy to misunderstand if you don't get all the facts. That's why we ought to consider the other fellow's viewpoint before we talk out. For example, you have your reasons for liking particular beverages. I have mine. And whether we're talking about buttermilk or beer...let's try to respect each other's point of view.

Joe Marsh

## Girl Scouts and Brownies Ending an Active Season

Girl scout and brownie troops of Wing Lake school are in the final stages of a successful and busy year. Tireless efforts of their leaders and co-leaders contributed to many and varied experiences for each troop.

Troop 415 girl scouts plan to invite their mothers to the final evening, featuring badge awards ceremony this year. All members will receive awards, the highest number being given to Nancy Edman and Carol Gedelman, ten each. April Duval will get eight and Nanice DeBart 20.

Their final social get-together will be a dinner and theater outing June 4. Troop leaders were Mrs. Allan Gedelman and Mrs. Edzat DeBart.

Another sixth grade troop, 314, under the leadership of Mrs. Richard Kosovany and Mrs. Watson Gilpin, turned their final meeting into a cook-out at Dodge Park. After the meal came a flag ceremony and badge presentations.

Early in the year, this troop advised the cottage of Little Sarah Fisher home as their project. They personalized each girl's birthday with gifts and a party, paid holiday visits and gave other parties for their meeting before their final visit.

This was a rather sad occasion as they had loved the cottage. However, they intend to follow up the summer birthdays.

Leaders for fifth grade girl scouts were Mrs. William Pinkerton, Mrs. Grace Duval and Mrs. Eugene Land. They have been working this year on the project of second class rank. Their year end project will be a cook-out next week with mothers present for the flag ceremony and awards.

There were three troops of fourth grade brownies this year. Those under the leadership of Mrs. Guy Pitts and Mrs. Evelyn Chappell went for a cook-out at Springdale Park last week. They are working on the final meeting which will be their "fly-up" program, making their scouts next year.

Brownies of the troop led by Mrs. Edward Laska and Mrs. Edward Vogler celebrated their "fly-up" ceremony today at Mrs. Laska's home. Mothers were invited and staked on punch and cookies in the orchard.

Girl Scouts Patty Dillow and Patti Bremer were present to welcome them into the senior group and tell them about the fun and projects awaiting them.

For the meeting before, they went to the Doll House in Berkeley where they thoroughly enjoyed seeing how dolls are mended and the various mechanisms inside different dolls. Here they also found the wishing well fascinating. They could drop in a coin and the mail came up containing a prize. The girls came away loaded with various doll items which they found so within the reach of their accumulated allowances.

Mrs. Lowell Sarnes and Mrs. Clyde Sikes led one of the two third grade Brownie troops this year. Their troop number 625 which, last week, entertained the mothers at a first birthday party. It took place in the all-purpose room of Wing Lake school. They served punch and cookies and presented each mother with a carnation corsage which they made. Their final meeting was Tuesday; a cook-out at Springdale Park.

Mrs. William Fraser and Mrs. Thomas Carter were leaders for third grade troop 631. Tuesday they celebrated their first troop birthday by going on a cook-out at Dodge Park.

Accompanying the 13 girls on this outing were, also, Mrs. Harold Heidrich and Mrs. Harold Ewertmeyer.

Second grade girls who will become third graders and eligible for

answering questions and consultation.

Mrs. Charles D. Welleis, Sandy Lane, is back from a world cruise. She left New York in January aboard the Cronia, which makes this trip once a year. She enjoyed a fascinating voyage.

Mr. and Mrs. Walter Stecker, Wing Lake road; Mr. and Mrs. Morton Graddis, Vaughan road; the Elwood Engels, Chalmers Lake and George Arvedson, Bloomfield hills, attended a theatre party for dinner and Pajama Game Thursday night. After the play, they stopped at Oldie Wayne Club for cocktails and dancing.

Mr. and Mrs. James T. Liddell moved into their new Westwood

## Robinson Elected

Loren T. Robinson, Jr., of South Hates, Birmingham, has been elected to a three-year term on the board of governors of the Players, Detroit theatrical group at their annual dinner meeting this month.

## "Quick Service"

IS NOT OUR MOTTO

Why it pays to take your time—and ours—when buying your child shoes, new shoes.

In almost everything we pride ourselves in prompt and fast service. If you are "in a hurry, I am double parked most," our clerks will have your purchased wrapped in a jiffy.

NOT SO where your child's shoes are concerned. They are far too important for his future. FOR PERFECT FIT is the most important thing in children's shoes. Shoes that fail to fit can do more damage than to shoes at all.

We employ the most skilled and competent fitters. We keep and check permanent records of your child's foot growth. TAKES A LITTLE TIME, yes, but definitely worth it. Nothing, but nothing, else your child wears has so much influence on his growth and future efficiency as the shoes you buy today; and the attention you give these growing feet through proper footwear.

So, please do forgive us if during the rush hours of the last few weeks you had to wait a few minutes longer, or being in a hurry, you had to leave our Store without being waited on. We tried and will try to give your children the attention we feel they deserve. To do this job properly, every fit is checked and rechecked before the child leaves the Store. All this does take time. Yours and ours. Come in and see it yourself at the Store "where fit comes first."
