

BHS Alums Elected To Freshman Posts At Their Colleges

Elected to class offices and other posts recently were four Birmingham high school alums who are now college freshmen.

Bill "Tex" O'Neal was elected president of the freshman class at Purdue. Here from Texas last year, he was chosen vice president of the varsity football team, was a member of Procentium, and maintained a good scholastic average.

Jim Rennell was also elected

president of his freshman class at Alma college. During high school, he was one of the few boys to take cooking and played at guard on the varsity football team.

At Mary Washington college, Kitten James was elected treasurer of her freshman class of 520 girls. In high school she was feature editor of the Highlander and was awarded the Quill and Scroll editorial award.

Ann Gardner was elected president of her residence, Ranker Hall, at Purdue. In high school she was editor-in-chief of the '56 Piper, secretary of the Senate, D.A.R. good citizen, elected to Who's Who, and winner of the Marc Joslyn memorial award.

SOUTHFIELD HI NOTES

The Southfield senior board will "run two senior trips up the flag pole" this week and decide upon the one that "receives the most salutes." The class has a choice of two boat trips, one to Mackinac Island, and one to Chicago. The trip will be scheduled for the latter part of May.

According to Robert Watts of

the Southfield physical education department, all recreation basketball teams must register by Dec. 1. A program for teams in age groups from nine to 17 years has been planned and games will start about the first of January.

The recreation department is also considering a teen-age evening square dance club. The club would meet once every week or two in the school gym. Contact Robert Watts for more information on this club.

After listening to the WJR return of the Southfield Town Meeting of the Air assembly last Saturday, it would seem that Birmingham high will have to do mighty well to prepare a better season.

Southfield's student council is preparing a permanent showcase in the upper hall to display academic honors awarded to the school. Scholastic honors will henceforth be awarded in February of each year, while sports awards, will be given out in June.

The Junior class will sell hot dogs at all home basketball games this year. The class is also investigating school mascots.

Southfield, Walled Lake and Farmington high schools met last Monday at Waterford for a discussion program stemming out of the school debate club. Students who participated from Southfield were Margaret Gray, Linda Brethen, Jim Flower, Linora Hobbs, Jeri Carol Jenkins, Radene Mekelsson, Joanne Warren, Ilene Zart and Joanne Boyd.

The Southfield debate group now participates in both the Inter-Lakes league and the Metropolitan league.
